YOU ARE ABOUT TO DISCOVER THE BEST "POCKET" RIDDLE BOOK FOR FUN AND LEISURE! 100 popular short riddles and brain teasers - with clues and answers - have been compiled in this book. You will find some of the world's most famous riddles, and also many lesser known gems. This is a great fun book for teens and adults who look for some creative ways to spend their free time, entertain their mind or simply keep themselves busy while waiting in public locations! This Riddle Book Will Give you Clues to Help you Solve the Riddles! Let's assume that you are the type of person who thinks really hard to solve a riddle because you don't like giving up easily. If a friend told you a riddle, normally you would ask him for a clue before giving up and ask for the answer. So why not get a little help for a riddle book, too? In its digital version, the book can provide clues -simply with a click - before providing the answer! This means that you can see a clue before seeing the answer - which is a great "interactive" feature, that makes the book a lot more fun! We decided to make this book available also in a printed version for the readers that would love to buy a printed copy for their library. In the printed format, clues and answers can be found at the back of each page. Why this Book is a Great Buy! Challenge yourself, your friends, partner or family and have some fun exercising your brain at the same time! Here is why you are going to enjoy everything about this book: ==>You can see a clue before seeing the answer which is really great and makes the game a lot more fun! ==>You can read it when you are on your daily commute or waiting in public. ==>All riddles are smart and interesting ==>The riddles are neither too easy nor too difficult. The difficulty level is appropriate for beginner adults or teens, and even for smart kids. (If you are an advanced solver, please "look inside" the book to decide if the difficulty level suits you). ==>You can play alone or together with your friends and family (fun guaranteed!) What you will find in this Book This book contains some of the world's most famous riddles, and also many lesser known gems. This collection contains: "How is this possible?" riddles Recently a mother gave birth to two girls on the same day, at the same time, in the same month and year and yet they're not twins. How is this possible? Lateral Thinking riddles How can you alter the following equation by a single stroke (straight line) to make it correct? 5 + 5 + 5 = 550 Logic riddles A woman was horrified to find a fly in her tea. The waiter took her cup and went into the kitchen and returned with a fresh cup of tea. She shouted, "You brought me the same tea!" How did she know? Word riddles There is a word in the English language in which the first two letters signify a male, the first three letters signify a female, the first four signify a great man, and the whole word, a great woman. What is the word? "Think out of the box" riddles Six glasses are in a row. The first three are full of wine and the second three are empty. With one move only, can you arrange them so empty and full glasses alternate? "What am I?" riddles I am pronounced as one letter, but written with three. Me and my twin brother are blue, brown or green. What am I? Buy Now with 1-Click! This family-sized compendium presents 250 of the greatest riddles and puzzles of all time. There are classical logic puzzles, lateral thinking puzzles, " who am I ? " riddles, mathematical brain teasers, word ladders, ditloids, and a large selection of illustrated pen and paper, coins, cups, and toothpicks puzzles (please view the preview of this book for a full listing). This is the first time a collection of such breadth has been compiled and formatted especially for e-reader devices. The puzzles have been carefully organized into 25 chapters, and each question is hyperlinked to its solution, to provide utmost ease of navigation. Alongside the world ' s most famous riddles, are some lesser known gems, and some brand new puzzles, in print here for the first time. Our aim was to create a definitive compendium of riddles and puzzles to bring enjoyment to people of all ages. We hope you will enjoy unraveling them as much as we enjoyed creating and editing them. Here are a handful of sample riddles: Outside the Box Riddles: You need to divide a round birthday cake into eight pieces, so each of your guests will have something to eat. How can you do this by making only three straight cuts with a knife, and without moving any of the pieces? The king ' s two bodyguards developed an ingenious method for assuring the king ' s safety. With the king standing between them, they would face in opposite directions; one looking to the west and the other to the east, but at the same time, and without the use of any reflective surfaces, they would both be able to observe the king clearly. How was this possible? Pure Logic Riddles: There are two glasses. One contains water, and the other contains an equal quantity of wine. A teaspoon of water is removed and mixed into the glass of wine. A teaspoon of the wine-water mixture is then removed and mixed into the glass of water. Which of the mixtures is now purer? The sorcerer ' s tower was enchanted in such a way that it was able to build itself. Bricks, slates, tiles, and panes of glass, all flew to it of their own accord and danced into position. The tower doubled in size every day until after 100 days it reached a height that provided fine views over the entire realm. How many days did the tower take to reach half its full height? Lateral Thinking Puzzles: Five men are going to church. It starts to rain, and four of the men begin to run. When they arrive at the church, the four men who ran are soaking wet, whereas the fifth man, who didn' t run, is completely dry. How is this possible? Think Twice Riddles: If you are running a race, and you overtake the person in second place, what place do you move into? Word Riddles: SOS is read the same forwards, backwards, and even upside-down. What four-letter word also shares these properties? Number Puzzlers: How many letters are there in the answer to this question? You have an opportunity to buy a hen. In fact, you have been offered a choice between two quite remarkable animals. One of the hens produces six dozen dozen eggs per month, and the other produces a half dozen dozen. Admittedly, both seem impressive. Does it matter which hen you choose? Traditional Poetic Riddles: Five creatures cross a field of snow; But leave a single track behind Whose loops and bows are soon, I know, Unravell'd by the mind. Coins, Cups, and Toothpicks Illustrated Riddles: A coin is dropped into an empty bottle and a cork is then inserted in the neck of the bottle. How is it possible to remove the coin without taking out the cork, or breaking the bottle? At Elsinore Books we pride ourselves on creating beautiful e-books, and devote great attention to formatting, and ease of navigation. This book contains a cleanly styled contents page that permits easy movement between puzzles. You can return at any time to the contents page by clicking on the name of each chapter.
