

## 5600 Series Mechanical Heat Detectors 5601p System Sensor

Recognizing the pretentiousness ways to acquire this ebook **5600 series mechanical heat detectors 5601p system sensor** is additionally useful. You have remained in right site to begin getting this info. acquire the 5600 series mechanical heat detectors 5601p system sensor join that we meet the expense of here and check out the link.

You could purchase guide 5600 series mechanical heat detectors 5601p system sensor or acquire it as soon as feasible. You could speedily download this 5600 series mechanical heat detectors 5601p system sensor after getting deal. So, past you require the ebook swiftly, you can straight acquire it. It's so categorically simple and hence fats, isn't it? You have to favor to in this way of being

5600 Series Mechanical Heat Detectors

5600 Series Mechanical Heat Detectors System Sensor's 5600 series mechanical heat detectors offer a low-cost means for property protection against fire, and for non-life-safety installations where smoke detectors are inappropriate. Features • Multiple configurations for installations: - Single- and dual-circuit models

5600 Series Mechanical Heat Detectors 5601P

5600 Series Mechanical Heat Detectors Features and Benefits Offers an attractive low silhouette design. Has multiple configurations available. Uses single and dual circuit models. Has a fixed temperature and combination, or a fixed temperature/rate-of-rise activation. Displays readily visible ...

5600 Series Mechanical Heat Detectors - Honeywell

The 5600 Series mechanical heat detectors offer a full line of configurations to accommodate a broad range of applications. Both single- and dual-circuit models are offered, each available for low- and high-temperature ratings with either fixed temperature or combination fixed-temperature/rate-of-rise (ROR) activation.

5600 Series Mechanical Heat Detector | Conventional ...

5600 Mechanical Heat Detectors. [www.boschsecurity.com](http://www.boschsecurity.com). u Celsius. u Post-activation indicator to easily identify units in alarm. u Multiple configurations satisfy a broad range of installations. u Broad range of back box mounting options Reversible mounting bracket for surface-mount or flush-mount installations The System Sensor 5600 Series Mechanical Heat Detectors provide low-cost property protection against fire and non-life-safety installations where smoke detectors are inappropriate.

5600 Mechanical Heat Detectors

5600 Series Mechanical Heat Detectors System Sensor's 5600 series mechanical heat detectors offer a low-cost means for property protection against fire, and for non-life-safety installations where smoke detectors are inappropriate. Features • Multiple configurations for installations: - Single- and dual-circuit models

5600 Series Mechanical Heat Detectors 5601A

Physical/Operating Specifications. Maximum Installation Temperature 5601P, 5603, 5621, and 5623: 100°F (38°C) 5602, 5604, 5622, and 5624: 150°F (65.6°C)

5600 Series Mechanical Heat Detector - Notifier Fire Alarm

5600 Series Mechanical Heat Detectors System Sensor's 5600 series mechanical heat detectors offer a low-cost means for property protection against fire, and for non-life-safety installations where smoke detectors are inappropriate.

### 5600 Series Mechanical Heat Detectors - ACCAS GROUP

The 5600 series consists of both single- and dual- circuit heat detectors featuring fixed temperature thermal sensors or combination fixed temperature/rate-of-rise sensors, with temperature ratings of 135°F (57°C) or 194°F (90°C). D500-46-00 1 I56-2175-003R. INSTALLATION AND MAINTENANCE INSTRUCTIONS.

### 5600 Series Mechanical Heat Detector Single Circuit: 5601P ...

System Sensor's 5600 series mechanical heat detectors offer a low-cost means for property protection against fire, and for non-life-safety installations where smoke detectors are inappropriate.

### 5600 Series Mechanical Heat Detectors - TC Life Safety

The 5600 series consists of both single- and dual-circuit heat detectors featuring fixed temperature thermal sensors or combination fixed temperature/rate-of-rise sensors, with temperature ratings of 135°F (57°C) or 194°F (90°C). Markings on the exterior of the detector indicate the specific activation method and temperature rating.

### 5600 Series Mechanical Heat Detector - Fire Alarm Resources

5600 (A) Series Mechanical Heat Detectors Conventional Initiating Devices DF-52400:A GENERAL System Sensor's 5600 Series mechanical heat detectors offer property protection against fire and for non-life-safety installations, where smoke detectors are inappropriate. Multiple configurations. The 5600 Series offers a full line of

### 5600 (A) Series - Fire-Lite Alarms

The 5600 Series mechanical heat detectors offer full line of configurations to accommodate a broad range of applications. Both single- and dual-circuit models are offered, each available for low- and high-temperature ratings with either fixed temperature or combination fixed-temperature/rate-of-rise (ROR) activation.

### 5600 Series Mechanical Heat Detector | Conventional ...

System Sensor's 5600 series mechanical heat detectors offer a low-cost means for property protection against fire and for non-life-safety installations where smoke detectors are inappropriate. The 5600 series offers a full-line of configurations to accommodate a broad range of applications.

### Detectors - Mechanical Heat Detectors - Honeywell

The 5600 series consists of both single- and dual-circuit heat detectors featuring fixed temperature thermal sensors or combination fixed temperature/rate-of-rise sensors, with temperature ratings of 135°F (57°C) or 194°F (90°C). Markings on the exterior of the detector indicate the specific activation method and temperature rating.

### 5600 Series - ABsupply.net

Products Fire Alarm System HEAT DETECTOR; 5600 Series; RP-2002E 24, 2016. FST-851 24, 2016. 0. 5600 Series. Published by admin at 24, 2016. Categories . HEAT DETECTOR; Tags . Model:5601P Type:Heat Detectors 135°F Fixed Temp/Rate-of-Rise, Single-Circuit Mechanical Heat Detector ...

### 5600 Series - Mechanical Heat Detectors (PDF)

The System Sensor 5600 Series Mechanical Heat Detectors provide low-cost property protection against fire and non-life-safety installations where smoke detectors are inappropriate.

### 5600 Series Mechanical Heat Detectors - Security Cameras

GENERAL System Sensor's 5600 Series mechanical heat detectors offer a low-cost option for property protection against fire and for non-life-safety installations, where smoke detectors are inappropriate.

### Mechanical Heat Detectors

System Sensor's 5600 series mechanical heat detectors offer a low-cost means for property protection against fire, and for non-life-safety installations where smoke detectors are inappropriate. The 5600 series offers a full-line of configurations to accommodate a broad range of applications.
