She's the perfect wife and mother--and he's the perfect temptation in this "perfect summer cocktail of sex, sun, and scandal" (Kirkus Reviews). Claire has a problem with setting limits. All her life she has taken on every responsibility, assumed every burden, granted every request. Claire wants it all--and in the eyes of her friends, she has it: a devoted husband, four beautiful children, even a successful career as an artist. So when she agrees to chair the committe for Nantucket's social event of the year, she knows she can handle it. Claire can handle anything. But when planning the gala propels her into the orbit of billionaire Lock Dixon, unexpected sparks begin to fly. Lock insists on working closely with Claire--often over a bottle of wine--and before long she can't ignore the subtle touches and lingering looks. To her surprise, she can't ignore how they make her feel, either. Claire finds the gala, her life, and herself spinning out of control. A Summer Affair captures the love, loss, and limbo of an illicit romance and unchecked passion as it takes us on a brave and breathless journey into the heart of one modern woman.

After the extreme heat of her Nantucket studio causes her to go into early labour and almost lose her youngest son, renowned artist Claire Danner Crispin now devotes her life to her four children, and her husband Jason. But when Lock Dixon asks Claire to help organise the annual Nantucket Gala, she is given a new sense of purpose. Asked partly in the hope that she can persuade her school sweetheart, now a world-famous rock star, to play at the event, Claire is tempted by the challenge. On the brink of a decision that could threaten her marriage, she is in danger of becoming closer to Lock than either of them had intended . . .

"Think you know where this is going? Think again. Hilderbrand is way too smart to give away the whole story in her title." —Elisabeth Egan, *New York Times*

A "captivating and bittersweet" novel by the #1 *New York Times* bestselling author of *Summer of '69*: Their secret love affair has lasted for decades—but this could be the summer that changes everything (People). When Mallory Blessing's son, Link, receives deathbed instructions from his mother to call a number on a slip of paper in her desk drawer, he's not sure what to expect. But he certainly does not expect Jake McCloud to answer. It's the late spring of 2020 and Jake's wife, Ursula DeGourmsey, is the frontrunner in the upcoming Presidential election. There must be a mistake, Link thinks. How do Mallory and Jake know each other? Flash back to the sweet summer of 1993: Mallory has just inherited a beachfront cottage on Nantucket from her aunt, and she agrees to host her brother's bachelor party. Cooper's friend from college, Jake McCloud, attends, and Jake and Mallory form a bond that will persevere—through marriage, children, and Ursula's stratospheric political rise—until Mallory learns she's dying. Based on the classic film *Same Time Next Year* (which Mallory and Jake watch every summer), 28 Summers explores the agony and romance of a one-weekend-per-year affair and the dramatic ways this relationship complicates and enriches their lives, and the lives of the people they love.

Madeline King and Grace Pancik are best friends and the envy of Nantucket for their perfect marriages, their beautiful kids, their Sunday night double dates with their devoted husbands. But this summer, something's changed, and if there's anything Nantucket likes better than cocktails on the beach at sunset, it's a good rumor. And rumor has it... ..that Madeline, a novelist, is battling writer's block, with a deadline looming, bills piling up, and blank pages driving her to desperation--and a desperately bad decision; ...that Grace, hard at work to transform her backyard into a garden paradise, has been collaborating a bit more closely than necessary with her ruggedly handsome landscape architect; ...that Grace's husband, successful island real estate developer "Fast Eddie" Pancik, has embarked on quite an unusual side project; ...that the storybook romance between Madeline's son, Brick, and Grace's daughter Allegra is on the rocks, heading for disaster. As the gossip escalates, and they face the possible loss of the happy lives they've worked so hard to create, Grace and Madeline try mightily to set the record straight—but the truth might be even worse than rumor has it.

A warm June evening, a local tradition: the students of Nantucket High have gathered for a bonfire on the beach. But what begins as a graduation night celebration ends in tragedy after a horrible car crash leaves the driver of the car, Penny Alistair, dead, and her twin brother in a coma. The other passengers, Penny's boyfriend Jake and her friend Demeter, are physically unhurt - but the emotional damage is overwhelming, and questions linger about what happened before Penny took the wheel. As summer unfolds, startling truths are revealed about the survivors and their parents - secrets kept, promises broken, hearts betrayed. Elin Hilderbrand explores the power of community, family, and honesty, and proves that even from the ashes of sorrow, new love can still take flight.

Visiting Nantucket for the summer, three women seek peace and comfort as they cope with the challenges in their lives —? from marriage, infidelity, and the mayhem of motherhood to scandal, tragedy, and illness. Three women — burdened with small children, unwieldy straw hats, and some obvious emotional issues — tumble onto the Nantucket airport tarmac one hot June day. Vicki is trying to sort through the news that she has a serious illness. Her sister, Brenda, has just left her job after being caught in an affair with a student. And their friend Melanie, after seven failed in vitro attempts, is pregnant at last — but only after learning that her husband is having an affair. They have come to escape, enjoy the sun, and relax in Nantucket's calming air. But into the house, into their world, steps twenty-two-year-old Josh Flynn. Barefoot weaves these four lives together in a story with enthralling sweep and scope — a novel that is as fun and memorable and bittersweet as that one perfect day of summer.

Four siblings experience the drama, intrigue, and upheaval of the '60s summer when everything changed in Elin Hilderbrand's #1 *New York Times* bestselling historical novel. Welcome to the most tumultuous summer of the twentieth century. It's 1969, and for the Levin family, the times they are a-changing. Every year the children have looked forward to spending the summer at their grandmother's historic home in downtown Nantucket. But like so much else in America, nothing is the same: Blair, the oldest sister, is marooned in Boston, pregnant with twins and unable to travel. Middle sister Kirby, caught up in the thrilling vortex of civil rights protests and determined to be independent, takes a summer job on Martha's Vineyard. Only-son Tiger is an infantry soldier, recently deployed to Vietnam. And thirteen-year-old Jessie suddenly feels like an only child, marooned in the house with her out-of-touch grandmother and her worried mother, while each of them hides a troubling secret. As the summer heats up, Ted Kennedy sinks a car in Chappaquiddick, man flies to the moon, and Jessie and her family experience their own dramatic upheavals along with the rest of the country. In her first historical novel, rich with the details of an era that shaped both a nation and an island thirty miles out to sea, Elin Hilderbrand once again earns her title as queen of the summer novel.
