When hockey star Linc Carpenter is banned from playing his beloved sport, he starts over slinging drinks in Tampa. He ' s inept as a bartender, so when the opportunity arises to train as a private investigator he takes it. He ' s not very good at that either, but he still manages to get hired to follow fashion mogul Quentin Faulkner.

The automated bartender is not meant to replace human bartenders; rather, it is designed to enhance the mixology experience. We've built an Arduino + Raspberry Pi powered robotic bartender before, but it mixed drinks too slow to be practical. We want to build a new version which is faster, more accurate, and can mix more than one drink at a time.

Bartender Pi (Audible Audio Edition) Ethan Stone John Solo Stone Publishing Books " Bartender, Pi " By Ethan Stone Four stars. This is a very silly novella. I giggled my way through the whole thing, and didn ' t spend a lot of time analyzing it. It is shiny and happy and romantic and it made me feel good. It is also very well done, and that matters because good fluff isn ' t easy. Linc ...
