Bioethics and the Christian Life—Wordsearch Bible

David VanDrunen's purpose in writing Bioethics and the Christian Life appears to be to present issues of life and death without pressuring the reader to accept one position over another. If you are looking for specific guidance about an issue, you will be somewhat disappointed.

Bioethics and the Christian Life: A Guide to Making...

Bioethics and the Christian Life: A Guide to Making Difficult Decisions. David M. VanDrunen. Just about everyone will face a difficult bioethics decision at some point. In this book a theologian, ethicist, and lawyer equips Christians to make such decisions based on biblical truth, wisdom, and virtue. Though a relatively new discipline, bioethics has generated extraordinary interest due to a number of socially pressing issues.

Bioethics and the Christian Life—wsoal.edu

Bioethics from a Christian Perspective. People have always had to make decisions about how best to live as physical creatures. About 2400 years ago, members of the Hippocratic tradition, in contrast to other itinerant healers, swore not to aid patients in obtaining their own death or abortion.

Life, human life, is important to God and to us, and is therefore considered worthy of protection. Life is also special, and is unique. It is a true miracle in that it cannot be manufactured or replicated by human means or spontaneous generation, nor can it be designed from existing non- living materials.
