In this electrifying New York Times ebook and USA Today bestseller from rising star of dark and sizzling new adult novels Marata Eros, a former ballerina struggles to hide her painful past—only to discover she's not the only one with secrets. "We're terrible together. . . ." Jess Mackey's whole life is a meticulously fabricated lie. She escaped the violent tragedy of her past and is forging ahead with a clean slate far removed from her powerful political family and its dark secrets. But Jess can't ignore her passions—not her love for ballet, nor her tumultuous desire for the unexpected lover who threatens to jeopardize her carefully constructed identity. Love does no harm. . . . Devin Castile is all sex-and-hotness wrapped up in a dangerous package. Jess worked hard to leave danger behind. But she wants Cas as much as the girl she once was longs to be free. Convinced they can keep their messy emotions at bay, Jess and Cas indulge their wildest fantasies. But soon Jess's lies begin to crumble, and the lovers discover that freedom comes with a deadly price.

The year is 2049 and in the new dystopian order, the Randoms have risen to the top. Because of the Helix Complex and their illicit use of mass sterilization, Earth faces dire consequences. The virulent Zondorae concoction of 2030 made many who could have children into mules. Now middle-aged, Death's children do their best in a world where technology and paranormal powers collide in a mix of tragedy and circumstance. Those in power have raised zombies for the slave trade. Paxton and Deegan Hart are grown and on the radar for those that understand how critical they are for future exploit. The tight-knit circle of friends are forced to network for solutions to the depravity that has taken hold. Can the original group protect a new talent, so dangerous it shouldn't exist? Will the new generation of Randoms find a solution for propagation, or will their power base cannibalize those who choose harmony over greed?

"The Joy Luck Club is one of my favorite books. From the moment I first started reading it, I knew it was going to be incredible. For me, it was one of those once-in-a-lifetime reading experiences that you cherish forever. It inspired me as a writer and still remains hugely inspirational." —Kevin Kwan, author of Crazy Rich Asians Amy Tan's beloved, New York Times bestselling tale of mothers and daughters, now the focus of a new documentary Amy Tan: Unintended Memoir on Netflix Four mothers, four daughters, four families whose histories shift with the four winds depending on who's "saying" the stories. In 1949 four Chinese women, recent immigrants to San Francisco, begin meeting to eat dim sum, play mahjong, and talk. United in shared unspeakable loss and hope, they call themselves the Joy Luck Club. Rather than sink into tragedy, they choose to gather to raise their spirits and money. "To despair was to wish back for something already lost. Or to prolong what was already unbearable." Forty years later the stories and history continue. With wit and sensitivity, Amy Tan examines the sometimes painful, often tender, and always deep connection between mothers and daughters. As each woman reveals her secrets, trying to unravel the truth about her life, the strings become more tangled, more entwined. Mothers boast or despair over daughters, and daughters roll their eyes even as they feel the inextricable tightening of their matriarchal ties. Tan is an astute storyteller, enticing readers to immerse themselves into these lives of complexity and mystery.

From award-winning author, Iona Andrews, an all-new novel set in the New York Times #1 bestselling Kate Daniels World and featuring Julie Lennart-Olsen, Kate and Curran's ward. Atlanta was always a dangerous city. Now, as waves of magic and technology compete for supremacy, it's a place caught in a slow apocalypse, where monsters spawn among the crumbling skyscrapers and supernatural factions struggle for power and survival. Eight years ago, Julie Lennart left Atlanta to find out who she was. Now she's back with a new face, a new magic, and a new name—Aurelia Ryder—drawn by the urgent need to protect the family she left behind. An ancient power is stalking her adopted mother, Kate Daniels, an enemy unlike any other, and a string of horrifying murders is its opening gambit. If Aurelia's true identity is discovered, those closest to her will die. So her plan is simple: get in, solve the murders, prevent the prophecy from being fulfilled, and get out without being recognized. She expected danger, but she never anticipated that the only man she'd ever loved could threaten everything. One small misstep could lead to disaster. But for Aurelia, facing disaster is easy; it's relationships that are hard.
