Avul Pakir Jainulabdeen Abdul Kalam, The Son Of A Little-Educated Boat-Owner In Rameswaram, Tamil Nadu, Had An Unparalled Career As A Defence Scientist, Culminating In The Highest Civilian Award Of India, The Bharat Ratna. As Chief Of The Country'S Defence Research And Development Programme, Kalam Demonstrated The Great Potential For Dynamism And Innovation That Existed In Seemingly Moribund Research Establishments. This Is The Story Of Kalam'S Rise From Obscurity And His Personal And Professional Struggles, As Well As The Story Of Agni, Prithvi, Akash, Trishul And Nag--Missiles That Have Become Household Names In India And That Have Raised The Nation To The Level Of A Missile Power Of International Reckoning.

What is it that we as a nation are missing? Why, given all our skills, resources and talents, do we settle so often for the ordinary instead of striving to be the best? At the heart of Ignited Minds is an irresistible premise: that people do have the power, through hard work, to realize their dream of a truly good life. Kalam ' s vision document of aspiration and hope motivates us to unleash the dormant energy within India and guide the country to greatness.

Inspiring Quotations by Indian President Dr. APJ Abdul Kalam

In this ground-breaking vision document, first published in 1998, Dr A.P.J. Abdul Kalam and Y.S. Rajan offer a blueprint for India to be counted among the world ' s top five economic powers by the year 2020. They cite growth rates and development trends to show that the goal is not unrealistic. Past successes—the green revolution and satellite-based communication linking remote regions of the country, for instance—bear them out. The same sense of purpose can make us a prosperous, strong nation in a matter of years, assert Kalam and Rajan. This is a book that every citizen who hopes for a better India must read.

The definitive biography of India's most loved leader and scientist Aeronautical engineer, rocket scientist, missile man, visionary, teacher and the most inspiring head of state in living memory - Avul Pakir Jainulabdeen Abdul Kalam was all these and more. Unquestionably the most revered Indian leader since Mahatma Gandhi, he transcended all the boundaries and obstacles that came his way in the course of a remarkable life; and he did so with grace and humility.Arun Tiwari tells Dr Kalam's life story with a deep understanding of his formative experiences and character and reveals him as a man personifying all the glory and paradoxes of his nation: secular and religious; exalted and humble; schooled and unaffected; dynamic and calm; scientific and spiritual - an Indian above all.

'The story of my life has become intertwined with the story of this country. And somewhere along the way, as I met a million children across this land, I too learnt from a million minds. This book was not written to only tell my story. I want every young reader to think that this book is his or her story too.' A.P.J. Abdul Kalam has been one of the most iconic figures of Independent India. A scientist, leader, thinker, teacher and writer, he achieved remarkable success in various fields. Yet, what endeared him to so many was his dedication to the idea of a developed India, his simple and direct way of interacting with people and his deep love for his fellowmen. In My Life, Kalam writes his life story starting from his days growing up at Rameswaram; about working on India's space and missile programmes; his years as the eleventh President of India; and about his life thereafter. Full of anecdotes that demonstrate the importance of hard work, commitment, courage and innovative thinking, this autobiography is a wonderful introduction to a remarkable life. Beautifully illustrated and simply written. My Life will inspire readers of all ages.

Gathers quotations and brief selections about happiness, faith, courage, confidence, self-discipline, love, hope, family life and contentment

Pramukh Swamiji Maharaj, one of the most inspiring spiritual figures of modern times and the fifth spiritual successor of Bhagwan Swaminarayan, became a friend of the eleventh president of India, Dr A.P.J. Abdul Kalam. Together they created an unparalleled spirituality-science fellowship. In Roohdaar, Dr Kalam and Arun Tiwari map a journey of self-realization reflected in the eyes of Pramukh Swamiji, painting a delightful fusion of spirituality, science and leadership. Through the life of Pramukh Swamiji and the history of the Swaminarayan mission, Dr Kalam traces the great rise of the Indian diaspora across the world. Drawing from the lives of great scientists and creative leaders, the book captures the spiritual essence of all religions and is a tribute to the multi-faith Indian society.

It was like any other day on the Anna University campus in Chennai. As I was returning to my room in the evening, the vice-chancellor, Prof. A. Kalanidhi, fell in step with me.Someone had been frantically trying to get in touch with me through the day, he said. Indeed, the phone was ringing when I entered the room.When I answered, a voice at the other end said, 'The prime minister wants to talk with you.' Some months earlier, I had left my post as Principal Scientific Adviser to the Government of India to return to teaching. Now, as I spoke to the PM, Atal Bihari Vajpayee, my life was set for an unexpected change.Turning Points takes up the incredible Kalam story from where Wings of Fire left off. It brings together details from his career and presidency that are not generally known as he speaks out for the first time on certain points of controversy. It is a continuing saga, above all, of a journey - individual and collective - that will take India to 2020 and beyond as a developed nation.
