Morality & Markets poses the question: 0What morally justifies government intervention in the commercial affairs of private citizens?0 Its author, Edward Soule, proposes what he dubs a Regulatory Strategy, a set of rules for determining the moral legitimacy of regulation. The strategy combines the political philosophies of John Locke and John Stuart Mill with economic theory and commercial history. Soule then puts his framework into action, testing the morality of regulation in contemporary commercial disputes, including capital markets and genetically modified foods.

books contain a variety of imaginative and varied exercises designed to practise basic reading and writing skills, drawing on the language introduced in the coursebooks. They can be used in conjunction with Breakthrough or simply as a refresher. This Activity Book supplements the main level 1 coursebook and cassettes, which can be bought separately or in a pack. The course is also available on CD-Rom - Breakthrough Spanish Interactive on CD-Rom. Teacher's Guides and Cassettes are also available for Breakthrough Spanish level 1.

Breakthrough Spanish 2 is part of the highly acclaimed Breakthrough Languages Series which has sold millions of copies world-wide. It is a revised, almost entirely rewritten, edition of Breakthrough Further Spanish and now follows on smoothly from the New Breakthrough Spanish course. New illustrations complement the user-friendly page layout and almost all of the studio recordings are new. Location recordings teach the new language as it is spoken in the Spanish-speaking world. The course concentrates primarily on conversational and reading skills. Ideal for self-study Breakthrough is also used widely in further, adult and higher education. Also available for Breakthrough Spanish level 1 are a Activity Book, and Teacher's Guides and Cassettes. The course is also available on CD-Rom - Breakthrough Spanish Interactive on CD-Rom.

Part of the "Breakthrough Language" series, this book helps the reader with the study of Spanish. The following subjects are discussed: directions, time, likes and dislikes, the weather, shopping, getting information and making travel arrangements.
