Calvert is phasing out the Calvert Test Series as they integrate the tests into the curriculum. Printed copies of the test series are no longer available, but parents can access them online for the 2017-18 school year if they would like to use them for one more year. Note: Middle school students will need to ignore the instructions in the unit tests in printed lesson manuals because these reference online tests that no longer exist.

Calvert Reviews | TheHomeSchoolMom

All of Calvert's curriculum operates on mastery learning which begins with the belief that students should have complete comprehension of a concept before moving on to the next. We do this in print by testing students at the end of each worktext to ensure that each student has complete mastery before moving on to the next. K-2 Courses
