Revisit the thrilling Sam Owens series, with book two in the series from New York Times bestselling author J.T. Ellison. Dr. Samantha Owens is starting over: new city, new job, new man, new life. But before she 's even unpacked her office at Georgetown University 's forensic pathology department, she 's called to consult on a case that 's rocked the capital and the country. An unknown pathogen released into the Washington Metro has caused nationwide panic. Three people died—just three. Amid the media frenzy and Homeland Security alarm bells, Sam painstakingly dissects the lives of those three victims and makes an unsettling conclusion. This is no textbook terrorist, but an assassin whose motive is deeply personal and far from understandable. Xander Whitfield, a former army ranger and Sam 's new boyfriend, knows about seeing the world in shades of gray. About feeling compelled to do the wrong thing for the right reasons. Only his disturbing kinship with a killer can lead Sam to the truth...and once more into the line of fire. Originally published in 2012 " Shocking suspense, compelling characters and fascinating forensic details. " —Lisa Gardner, # 1 New York Times bestselling author " A terrific thriller...fans of forensic mysteries, such as those by Patricia Cornwell, should immediately add this series to their A-lists. " —Booklist

Prepare for the most unexpected event-responding to an aircraft accident-with this practical guidebook. Straight-forward and concise, this book prepares emergency responders in any type of agency or community for the successful response to aircraft accidents. First responders will learn how to communicate and work effectively with the various agencies involved in a fire, crash, and post-fire environment. An overview on airplane anatomy will familiarize responders with various types of aircraft and associated hazards, while a focus on preplanning, available resources, approach of the aircraft, and various safety and medical issues, arms responders with the necessary tools to mitigate the incident. With technical clarity, **Aircraft Accidents: A Practical Guide for Responders** effectively reveals how the various emergency services can form into a unified command structure as a single team to respond to an aircraft accident.

Explains how to select, cultivate, and care for some two hundred of the world's finest traditional varieties of roses

Communication-based Spanish language text builds on a foundation of grammar and vocabulary. Secondary level.

Twelve-year-old Chase and his friend Nicole Rossi attempt to rescue the Rossi Brothers' Circus--lions, tigers, elephants, and all--in Mexico, where a massive earthquake has struck, leading to the imminent eruption of a volcano.

Move beyond Coping and Surviving to a Rejuvenating Place of Soul Rest How many of us find ourselves exhausted, running on empty with no time for rest, no time for ourselves, no time for God? Bonnie Gray knows exactly what that's like. On the brink of fulfilling a lifelong dream, Bonnie's plans suddenly went off script. Her life shattered into a debilitating journey through anxiety, panic attacks, and insomnia. But as she struggled to make sense of it all, she made an important discovery: we all need spiritual whitespace. Spiritual whitespace makes room--room in one's heart for a deep relationship with God, room in one's life for rest, room in one's soul for rejuvenation. With soul-stirring vulnerability and heartbreaking honesty, Bonnie takes readers on a personal journey to feed their souls and uncover the deeper story of rest. Lyrical writing draws readers into Gray's intimate journey through overwhelming stress to find God in a broken story and celebrate the beauty of faith. Guided by biblical encouragement and thought-provoking prompts, Gray shows readers how to create space in the everyday for God, refreshment, and faith. She also offers practical steps and insights for making spiritual whitespace a reality, right in the midst of the stress-frayed stories in every season of life. "We live in a culture that brags and boasts about being busy. Into that reality steps Bonnie with a new idea. Whitespace is an important concept and Bonnie has captured it perfectly. If you're exhausted with being exhausted, read this book. If you feel too busy to read this book, then that's probably the best sign of all that you need it."--from the foreword by Jon Acuff, New York Times bestselling author of **Stuff Christians Like**
