Psychopathology (ISRCAP) was founded in 1988 by Herbert C. Quay, so that mental health professionals interested in child psychopathology would have a forum to exchange ideas concerning the nature and treatment of childhood mental disorders. Since then, the society has grown to approximately 320 members worldwide.

The second edition of Child and Adolescent Psychopathology brings together the work of leading researchers who use a modern developmental approach to psychopathology, elucidating basic processes and developmental experiences that, when they go awry, produce psychopathology. In addition to familiarizing the reader with the disorders, they update them on our current understanding of several mental conditions from which children suffer.
