Duncan - Democracy - The God That Failed *Democracy The God That Failed*

Democracy: The God That Failed is a 2001 book by Hans-Hermann Hoppe, containing a series of thirteen essays on the subject of democracy. The book "examines modern democracies in the light of various evident failures" which, in Hoppe's view, include rising unemployment rates, expanding public debt, and insolvent social security systems. He attributes democracy's failures to pressure groups seeking increased government expenditures, regulations and taxation and a lack of counter-measures to them.
