This week, festivities in Kemerovo, Russia, celebrate the 300th birthday of Kuzbass as a mining region. Meanwhile, most of the residents have nothing to cheer about. Kuzbass is a pollution hot spot.

300 years of coal mining in Kuzbass: No reason to celebrate

Germany has finished withdrawing its last contingent of around 500 soldiers from Afghanistan as the security situation deteriorates. The move marks the end of a nearly 20-year mission.

Germany pulls last troops from Afghanistan, ending nearly 20-year mission

Eighty years ago, on June 22, 1941, the German military invaded the Soviet Union. They combined the barbarism of the Middle Ages with the most modern technology of the 20th century.

Eighty years since the Nazi war of annihilation against the Soviet Union

Inflation in commodity prices and shipping costs poses near-term risks, but long-term investors are well-placed to take advantage of the resulting volatility.

Arbeiten zur Kirchengeschichte first began publication in 1925 and can claim to be one of the most tradition-rich historical book series. It presents research on the history of Christian churches and dogmas through the ages but also publishes papers on related disciplines such as archeology, history of art and literary studies. One of the series ' leading features is its consistent striving to combine historical-methodical precision with systematic contextualization of each examined topic. In recent years the series has increasingly published studies on themes relating to the history of Christian culture and ideas, viewed within a methodically open perspective on the history of Christianity.
