The rich history and social significance of the "Divine Nine" African American Greek-letter organizations is explored in this comprehensive anthology. In the long tradition of African American benevolent and secret societies, intercollegiate African American fraternities and sororities have strong traditions of fostering brotherhood and sisterhood among their members, exerting considerable influence in the African American community and being in the forefront of civic action, community service, and philanthropy. Dr. Martin Luther King, Jr., Toni Morrison, Arthur Ashe, and Sarah Vaughn are just a few of the trailblazing members of these organizations. African American Fraternities and Sororities places the history of these organizations in context, linking them to other movements and organizations that predated them and tying their history to the Civil Rights movement.

memorial dedicated to the capital city's significant African American community and its historic struggle for the vote. The Commonwealth Monument, located on the Irvis Equality Circle on the South Lawn of Pennsylvania's State Capitol Grounds, features a bronze pedestal inscribed with one hundred names of change agents who pursued the power of suffrage and citizenship between 1850 and 1920. This book is a companion to this monument and tells the stories of those one hundred freedom seekers, abolitionists, activists, suffragists, moralists, policemen, masons, doctors, lawyers, musicians, poets, publishers, teachers, preachers, housekeepers, janitors, and business leaders, among many others. In their committed advocacy for freedom, equality, and justice, these inspiring men and women made unique and lasting contributions to the standing and life of African Americans-and, indeed, the political power of all Americans-within their local communities and across the country. One Hundred Voices is an initiative of the IIPT Harrisburg Peace Promenade, sponsored by The Foundation for Enhancing Communities.

This reference work, the sixth edition of Who's Who Among Black Americans, contains biographical entries on over 17,000 accomplished Black professionals, each of whom stands upon a legacy, of Black success and achievement.
