****This is the chapter slice "Ecosystems Gr. 1-5" from the full lesson plan "Hands-On - Life Science"***** Spark curiosity in this great big world of ours by discovering how everything works and lives together with our Hands-On Life Science resource for grades 1-5. Combining

Read PDF Ecosystem Worksheet Answer Key

Science, Technology, Engineering, Art, and Math, this resource aligns to the STEAM initiatives and Next Generation Science Standards. Dive right in by getting a firsthand look at ecosystems and building your own terrarium. Make information sheets for plants and animals, complete with hand-made drawings. Design your own food chain while grasping the knowledge about producers, consumers and decomposers. See what traits you inherited from your parents while learning about different adaptations. Learn about life cycles by studying a caterpillar's marvelous transformation into a butterfly. Explore your own brain with memory games and tracking your heart rate and dreams while you sleep. Each concept is paired with hands-on experiments and comprehension activities to ensure your students are engaged and fully understand the concepts. Reading passages, graphic organizers, before you read and assessment activities are included.

This is the chapter slice "Changes in Saltwater Aquatic Ecosystems Caused By Human Activity Gr. 5-8" from the full lesson plan "Conservation: Waterway Habitat Resources"*
Students will become aware of aquatic ecosystems facing severe change around the globe. Our resource focuses on recognizing how climate change and human activities are affecting their delicate balances. Become an ecologist and list factors in an aquatic ecosystem as biotic or abiotic. Visit an aquatic ecosystem near your home and learn as much as you can through careful observations. Find out why some aquatic organisms have a hard time adapting to climate change. Explore the effects of human activity on aquatic ecosystems. Spend some time at your local aquarium to be a part of the aquatic ecosystem. Get a sense of what's to come as you look at the rate of extinction of marine species. Find out what we can do to
