Self-regulatory focus theory - IELTS listening practice test
There are a number of reasons for this, which you hopefully remember from our IELTS Listening 101 episode: there are more than two voices, the questions usually focus on the outcome of a discussion in which many views are offered, and you may also be asked to locate a person ' s feelings (and we all know that feelings are much harder to find than facts!).

My IELTS Classroom Podcast 9: IELTS Listening Part 3
Thus, the number of correct answers needed to get a band score will vary slightly from test to test, but in general you should be aiming to get around 30 out of 40 if you want to get a band score of 7. As noted above, the sections get tougher and tougher as you progress through the IELTS listening test.

Free IELTS Listening Test - 125 Listening Practice Tests
Improve Listening Skills Today, IELTS Game will talk about the Listening section of IELTS and the skills you need to do well in this part of the test and how to improve listening skills. The Listening part is the same in both Academic and General Training modules. It includes 4 different recordings and 40 questions.

The complete and integrated IELTS preparation course, providing comprehensive exam skills development and graded practice.

This book "is a comprehensive, integrated course for students preparing to take the International English Language Testing System examination for universoty entrance or professional purposes. It provides essential information and advice about IELTS modules and tasks, graded exam skills development and exam practice tasks, and an invaluable end section providing supplementary language and writing practice." -- back cover.

Summary: This provides: detailed information about the IELTS exam ; guided practice for all four skills in each of the ten modules ; language input for speaking and writing ; hints and tips to help with special areas of difficulty ; language review at the end of each module, focussing on key academic language ; five self-check progress tests recycling key language and skills in new contexts ; guidance on assessing your writing ; ideas for speaking and writing about the topics in reading and listening texts ; tips on how to improve your performance in all four skills ; and detailed answer key and audio scripts.

Cambridge IELTS 10 provides students with an excellent opportunity to familiarise themselves with IELTS and to practise examination techniques using authentic test material prepared by Cambridge English Language Assessment. It contains four complete tests for Academic module candidates, plus extra Reading and Writing modules for General Training module candidates. An introduction to these different modules is included in each book, together with with an explanation of the scoring system used by Cambridge English Language Assessment. A comprehensive section of answers and tapescripts makes the material ideal for students working partly or entirely on their own.

"This Student's Book with answers contains separate sections focussing on Reading, Writing, Listening and Speaking ; 8 official practice tests from Cambridge English ; DVD-ROM with MP3 files and speaking test videos."--Publisher.

How to Master the IELTS is the ultimate study companion for your journey into international education and employment. With four Academic tests and two General Training tests, this comprehensive practice tool provides important revision for every aspect of the exam. It includes FREE downloadable MP3 files for the listening test; multiple choice questions; speaking exercises; flow chart and diagram tests; word recognition exercises; writing tasks; reading comprehension passages as well as full answers and explanations. Also including two appendices to aid learning and help develop your vocabulary, this straightforward guide is the only resource you'll need to practice and pass the IELTS. Online supporting resources for this book include audio files to support the listening test.
