"If there was ever any doubt of a graphic novel 's ability to achieve a high level of storytelling, this book blows it away."—Newsday "Astonishing in its scope, breadth and execution."—The Independent Twenty years in the making, this sweeping masterpiece charts Berlin through the rise of Nazism. During the past two decades, Jason Lutes has quietly created one of the masterworks of the graphic novel golden age. Berlin is one of the high-water marks of the medium: rich in its well-researched historical detail, compassionate in its character studies, and as timely as ever in its depiction of a society slowly awakening to the stranglehold of fascism. Berlin is an intricate look at the fall of the Weimar Republic through the eyes of its citizens—Marthe M u ller, a young woman escaping the memory of a brother killed in World War I, Kurt Severing, an idealistic journalist losing faith in the printed word as fascism and extremism take hold, the Brauns, a family torn apart by poverty and politics. Lutes weaves these characters ' lives into the larger fabric of a city slowly ripping apart. The city itself is the central protagonist in this historical fiction. Lavish salons, crumbling sidewalks, dusty attics, and train stations: all these places come alive in Lutes ' masterful hand. Weimar Berlin was the world 's metropolis, where intellectualism, creativity, and sensuous liberal values thrived, and Lutes maps its tragic, inevitable decline. Devastatingly relevant and beautifully told, Berlin is one of the great epics of the comics medium.

This book contains a classic guide to the game of curling, looking at its history, equipment, different styles and techniques, and much more. Curling is a sport in which players slide stones on a sheet of ice towards a target area which is segmented into four concentric circles. It is related to bowls, boules and shuffleboard. Full of interesting historical information and practical instructions, this volume will appeal to curling enthusiasts with a particular interest in the history and development of the much-loved winter sport. Contents include: " A National Game ", " A Game of Long Ago ", " The Principles of Curling ", " The Art of Curling ", " The Skip ", " The Single-Handed Game ", " Curling in Scotland ", " Curling in Switzerland ", " Curling in Canada ", and " Memories of the Ice ". Many vintage books such as this are becoming increasingly scarce and expensive. We are republishing this book now in an affordable, modern, high-quality edition complete with the original text and artwork.

"The rise and fall of kings and nations!"--Cover.

The New Negro Movement. Back to Africa Movement. Harlem 1921. Home of the Black family. Black Cross tells the story of the becoming of Alice-Paul Black. Wife of Rufus Black, mother of Willie and Junior Black, daughter of Mamie Johnson.Born a dark-skinned Negro woman disallowed the right to dream, details her willingness to no longer accept who her husband allows her to be. Who her mother tells her she needs to be and who the world says that she is. It took a long time for Alice-Paul Black to find her voice, and she's going to tell you who she ain't

This atlas presents technical information for professionals who process and use temperate or tropical timber. It combines the main technical characteristics of 283 tropical species and 17 species from temperate regions most commonly used in Europe with their primary uses.

From international-class resorts to throwback areas legendary for their remoteness, downhill skiing in western Montana offers diversity which matches the region's mountains and weather. This guide takes you to each mountain with the perspective of a local -- where to go, what to ski, and what to skip.

Learn about how different animals move.

So you want to learn to Snowboard? Look no further! In Learn to Snowboard in 2 Days you will find a simple step by step program that has been designed to give you the best possible start on your Snowboarding journey - guaranteed! You will get to know insider secrets to get you up and riding in your very first session, how to avoid painful beginner's mistakes, how to choose the right gear for YOU, and much much more! This comprehensive no-nonsense guide has all the information you need to know to get started in Snowboarding - all about the gear, how to ride a lift, all the best techniques to get you up and riding in no time, and lots of other beginner's tips! Here's what the book will tell you in detail: - The hands down fastest and easiest techniques for getting up and riding in your very first session - How to choose the right board and bindings for YOU - The best ways to avoid mistakes that can be painful, costly or even really dangerous - If you take snowboarding lessons, know how to make the most out of them and save money - if you take just one less hour of lessons, this book will have re-paid itself several times over. - How to dramatically reduce your overall learning curve - A complete Gear Guide going through the different types of boards, bindings, boots, and other accessories - How to care for your gear to make sure it lasts longer and doesn't fail you in a bad situation - How to easily put your body in the correct position for the type of snowboarding you do - How to snowboard safely with minimal risk to yourself and others - How to get on and off a lift with ease - Tips and video to show you how to tackle beginning snowboarding skills, like skating, gliding, and linking turns - Descriptions of common snowboarding terrain features - Advice and videos describing how to perform advanced techniques and tricks, such as jumps, grinds, and 360s - A guide to the best Snowboard Terrain Parks in the U.S. - A glossary of common snowboarding terms to help you speak like a pro - And much, much more... If you still haven't made up your mind, please take my word for it: as a Snowboarder you'll get to enjoy the snow in a way that most people will never experience - you will NOT regret giving the sport a shot! One last piece of advice if you're the kind of person who can't wait to get out there and just do it - of course not everyone who gives Snowboarding a shot with some old, borrowed gear and no clue gets hurt in the process, but I can assure you that the people who are well informed and properly instructed learn a LOT faster and walk away from their first sessions with a lot less bruises and frustration. So what are you waiting for? Grab your copy right now and start learning TODAY! You'll save time, cash AND make sure to get a great start Snowboarding - it can't get any better than this!

" Bess is among the most compassionate and intelligent characters. " — The Sun-Sentinel From the New York Times bestselling author of the Bess Crawford mystery series, a short story that unravels dark secrets from her close friend Simon Brandon 's past. Years before the Great War summoned Bess Crawford to serve as a battlefield nurse, the indomitable heroine spent her childhood in India under the watchful eye of her friend and confidant, the young soldier Simon Brandon. The two formed an inseparable bond on the dangerous Northwest Frontier where her father 's Regiment held the Khyber Pass against all intruders. It was Simon who taught Bess to ride and shoot, escorted her to the bazaars and the Maharani 's Palace, and did his best to keep her out of trouble, after the Crawford family took an interest in the tall, angry boy with a mysterious past. But the Crawfords have long guarded secrets for Simon and he owes them a debt that runs deeper than Bess could ever know. Told through the eyes of Melinda, Richard, Clarissa, and Bess, A Hanging at Dawn pieces together a mystery at the center of Bess 's family that will irrevocably change the course of her future.

Happy Trails is a completely new course for young learners in what is referred to as Junior A and Junior B in the Greek market, where it was developed. The material corresponds to Primary 1 and 2 in the UK market.
