As she trudges through the immense Green Cloak forest, her thoughts are interrupted by the clattering of hooves, as a galloping horse bursts from the woods. The rider is slumped over his mount's neck, impaled by two black-shafted arrows. As the young man lies dying on the road, he tells Karigan he is a Green Rider, one of the legendary messengers of the king of Sacoridia. Before he dies, he begs Karigan to deliver the “ life and death ” message he bears to King Zachary. When she reluctantly he agrees, he makes her swear on his sword to complete his mission, whispering with his dying breath, "Beware the shadow man...". Taking on the golden-winged horse brooch that is the symbol of the Green Riders, Karigan is swept into a world of deadly danger and complex magic, her life forever changed. Compelled by forces she cannot understand, Karigan is accompanied by the silent specter of the fallen messenger and hounded by dark beings bent on seeing that the message, and its reluctant carrier, never reach their destination.

After an unexpected confrontation with a dying knight, Karigan G'ladheon becomes the unlikely bearer of a vital message to the king, on a mission during which she faces assassins and other deadly dangers in a world of complex magic.

Magic, danger, and adventure abound for messenger Karigan G'ladheon in author Kristen Britain's New York Times-bestselling Green Rider fantasy series • "First-rate fantasy." —Library Journal Karigan G'ladheon was once a Green Rider, one of the king of Sacoridia's elite magical messengers. In the messenger service, she was caught up in a world of deadly danger, and though she defeated the rogue Eletian who cracked the magical D'Yer Wall—which had protected Sacoridia for a thousand years from the dark influence of Blackveil Forest, and Mornhavon the Black's evil spirit imprisoned within it—she had nonetheless been tainted by his wild magic. Exhausted in body and spirit, and determined to take control of her own destiny, Karigan returned to her home in Corsa. But even Karigan's stubborn determination is no match for the Rider's call. Ghostly hoofbeats echo in the deep regions of her mind. When she awakes to find herself on horseback, halfway to Sacor City in her nightgown, she finally gives in. Karigan returns to the court, only to find the Green Riders weakened and diminished. Rider magic has become unreliable, and she herself has ghostly visions of Lil Ambriodhe, First Rider, and founder of the Green Rider corps. But why is the First Rider appearing to Karigan? And will Karigan be able to seek the help of a woman who has been dead for a thousand years?

This seventh novel of the Green Rider series follows the adventures of messenger, magic wielder, and knight Karigan G'ladheon as she fights to save king and country from dark magic and a looming war. After her capture at the hands of Grandmother and the Second Empire, Karigan G'ladheon is making halting progress towards recovery. Karigan takes on increasingly dangerous missions, haunted by the specter of her torturer, Nyssa, and sinking ever further into the mire of her recollections of the past and the losses she's sustained. Meanwhile, the forces of the Second Empire are moving on Sacoridia and their primary target is a vulnerable garrison that guards a crucial mountain pass. Faced with new fatherhood and a country on the verge of war, King Zachary sends a contingent of soldiers and Green Riders to the pass—but his own recovery from the events of the north is not yet complete either. Reunited with her fellow Riders at the pass, Karigan takes on a leadership role, but quickly finds that the Riders are not as she last left them. As tension mounts and war draws ever closer to the heart of Sacoridia, Karigan must discover what it truly means to be a Rider and a hero of the realm—and what sacrifices must be made to truly heal from her past.

Magic, danger, and adventure abound for messenger Karigan G'ladheon in the third book in Kristen Britain's New York Times-bestselling Green Rider fantasy series • "First-rate fantasy." —Library Journal More than a thousand years ago, the armies of the Arcosian Empire, led by sorcerer Mornhavon the Black, crossed the great sea and tried to conquer the land of Sacoridia using terrible dark magic. Eventually, Mornhavon was captured, and his evil spirit imprisoned in Blackveil Forest. Since that day, the perimeter of Blackveil—now a dark and twisted land—has been protected by the magical D ' Yer Wall. But in the centuries since the war ' s end, knowledge of the working of magic disappeared from Sacoridia, due to the fear and prejudice of a people traumatized by Mornhavon ' s sorceries. Karigan G ' ladheon is now a seasoned Green Rider—a member of the magical messenger corps of the king. But during her first year as a Rider, a rogue magician cracked the mighty D ' Yer Wall. The spirit of Mornhavon, sensing the weakness, began to wake, seeking vengeance, and causing frightening aberrations throughout the land. Karigan managed to transport the spirit of Mornhavon into the future, buying valuable time for her king and country. But how far in the future is Mornhavon now? A hundred years? Ten? Only one year? There is no way to tell. And though Karigan and her fellow Riders have scoured the land searching for lost magical knowledge, and members of Clan D ' Yer are camped at the wall, hoping to uncover its lost secrets, they were unaware of a threat to their kingdom that lay far closer. For there were Arcosian soldiers who survived the Long War, and the descendants of those ancient enemies spent generations honing their powers of dark magic—a force against which the Sacoridians have no defense....

Magic, danger, and adventure abound for messenger Karigan G'ladheon in the sixth book in Kristen Britain's New York Times-bestselling Green Rider epic fantasy series. Zachary Davriel Hillander, High King of Sacoridia, rues how much he has had to give up to lead his realm, including the freedom to live and love as he chooses. When an embassy from Eletia arrives to propose a joint venture between their realms to seek out an old ally in the north, he is dismayed to learn that the one Sacoridian they have in mind to accompany their guide is the woman he truly loves but cannot have: Green Rider Karigan G ' ladheon. Karigan has only just returned from a dark future where Sacoridia has been conquered and is ruled by a despotic emperor, and she has not recovered in heart or mind. As if that is not enough, the castle ghosts won ' t leave her alone. Though Zachary is loath to part from her so soon after her return, he knows she is the best choice to undertake the mission to the north. Each step on their journey places Karigan and her companions closer to enemy territory and danger, for northward lie the forces of Second Empire, Sacoridia ' s longtime foe, and Grandmother, the necromantic leader of Second Empire, has not been idle. She uses her magic to summon a wild elemental spirit to wreak havoc upon Zachary and his wife, Queen Estora. At first the Sacoridians succeed in fending off the creature, but it so covets Estora that it can ' t stay away. It abducts Zachary, assuming his form and his place at Estora ' s side—but when it is finally ousted, Zachary is still missing. Estora, alone and heavy with twins, must prepare her realm for the coming conflict from the confines of her bedchamber. Meanwhile, the danger only deepens for Karigan and her companions as they journey north. When she finds herself caught in the midst of a clash between forces, Karigan must rescue and protect her king before she falls into a trap set by Grandmother—a trap that could give Second Empire the power to control the dead and all the demons of the hells.

Karigan G'ladheon is a Green Rider - a seasoned member of the royal messenger corps whose loyalty and bravery have already been tested many times. And her final, explosive magical confrontation with Mornhavon the Black should have killed her. But rather than finding death, and peace, Karigan wakes to a darkness deeper than night. The explosion has transported her somewhere - and into a sealed stone sarcophagus - and now she must escape, somehow, before the thinning air runs out and her mysterious tomb becomes her grave. Where is she? Does a trap, laid by Mornhavon, lie beyond her prison? And if she can escape, will she find the world beyond the same - or has the magic taken her out of reach of her friends, home and King forever...? *Kristen Britain is one of the most astonishing fantasy writers working today* Tess Gerritsen, NEW YORK TIMES bestselling author.

Magic, danger, and adventure abound for messenger Karigan G'ladheon in author Kristen Britain's New York Times-bestselling Green Rider fantasy series • "First-rate fantasy." —Library Journal Over a millennium ago, Mornhavon the Black, heir to the Arcosian Empire, crossed the great sea hoping to conquer Sacoridia. Mornhavon and his armies were defeated—but not before their general had resorted to desperate, dark

magic that rendered his twisted spirit immortal. Finally, Mornhavon was captured and imprisoned in Blackveil Forest, and the forest ' s perimeter was sealed by the magical D ' Yer Wall. In the many centuries since, knowledge of magic has disappeared from Sacordia due to the fear and prejudice of a people traumatized by the memory of Mornhavon ' s terrifying sorceries. Even the protective magic that created and maintained the D ' Yer Wall has been lost, and the once-impermaeable barrier has been breached, allowing Blackveil ' s malignant influence to seep into the lands beyond once again. Karigan G ' ladheon is a Green Rider—a seasoned member of the elite messenger corps of King Zachary of Sacordia. But Karigan is no ordinary Rider, for she can traverse the barriers of time and space. Because of this extraordinary ability, she was able to transport the spirit of Mornhavon into the future, buying precious time for her country. During the window of relative safety, King Zachary decides to send Karigan and a small contingent of scouts, accompanied by a small group of Eletians—a magical race who once lived in the lands now tainted by Mornhavon ' s magic—into Blackveil Forest. Though Mornhavon is gone, the forest is still a treacherous and unnatural place filled with monstrous creatures and deadly traps. Plus, no one knows how far in the future Mornhavon has been sent—Ten years? One? Maybe even less. And unbeknownst to the band of Eletians and Sacordians, another small group has entered the forest—Arcosian descendants who have kept Mornhavon ' s dark magic alive in secret for centuries, and who now plan to avenge their long-ago defeat by bringing Sacordia to its knees.

Karigan may have heard the First Rider's call, but she's not about to let it take over her life or at least that's what she thinks. She swore to complete a dying man's mission - to deliver a sealed letter to King Zachary. Now that task, more dangerous than she could have imagined, is complete and her work is done, Karigan wants to leave the dangerous world of tainted magic and ancient magicians behind her and return home. Exhausted in both body and spirit, she plans to return to her quiet life and her father's business. But it proves no match for the Rider's call: ghostly hoofbeats sounding in her mind, visions of the freedom of the open road, all calling her back to the king's service as a Green Rider. Karigan resists it, but when she wakes up to find herself - in her nightdress - on horseback and halfway across the country, her destiny is clear: she is a Green Rider. As she discovers, it's not a good time to be called to serve. For a thousand years the D'Yer Wall, a physical and magical barrier protecting the land from the ancient, corrupted Blackveil Forest, has held. For a thousand years the forest, an arboreal prison containing one of Sacordia's greatest enemies, has been quiet. Not any more. The wall has been breached, unnatural, lethal creatures are finding their way into Sacordia, a dark sentience is stirring, and the Green Rider magic itself is failing. And in the midst of it all, Karigan is about to be called to her duty . . .
