Hypermodern Times And the hypermodern individual, while oriented towards pleasure and hedonism, is also filled with the kind of tension and anxiety that comes from living in a world which has been stripped of tradition and which faces an uncertain future.

HYPERMODERN TIMES GILLES LIPOVETSKY PDF

Hypermodernity is a paradox, "Every increase in autonomy occurs at the expense of a new dependency...The great socializing structures have lost their authority, the great ideologies are no longer productive,...the age of emptiness has dawned, but without tragedy or apocalypse." "Hypermodern individuals are better informed and more destructured, more adult and more unstable,...more open and more easy to influence, more critical and more superficial, more skeptical and less profound."
