Follow the middle school misadventures of Max, as recorded in his hilarious Diary of a Wimpy Kid-style journal that is unconventionally illustrated with the internationally recognized emoticons of the SmileyWorld brand. Warning: Do not read before 2126! My Life in Smiley: It's All Good is meant strictly for people of the future, chronicling the life and times of Max, an average eleven-year-old. Annoying siblings, stage fright, love at first sight--can you believe what kids in the 21st century had to deal with? Follow his illustrated diary as he embarks on a great journey--the first year of middle school in France. Max's journal entries, humorous drawings, and colorful smileys recount his adventures in making new friends, dealing with bullies, and surviving a ruthless P.E. teacher. Along the way, Max starts to figure out how to interact with his peers, and he realizes that at the end of the day, no matter what life throws at him, it's all good!

Love Inspired Suspense brings you three new titles at a great value, available now! Enjoy these suspenseful romances of danger and faith. UNDERCOVER MEMORIES by Lenora Worth After waking up in the hospital, private investigator Emma Langston knows she was sent on an urgent case—but she can ' t remember her mission. Now someone wants her dead, and her only chance of surviving long enough to recover her memories is by relying on Detective Ryder Palladin for protection. IN TOO DEEP by Sharon Dunn After one of the at-risk teens she mentors calls her for help, Sierra Monforton witnesses a drug deal and becomes a target. And while undercover DEA agent Joseph Anderson ' s assignment is to take down a drug ring, he ' ll risk everything—including blowing his cover—to ensure Sierra doesn ' t get hurt. FRAMED FOR CHRISTMAS by Jaycee Bullard Someone ' s framing DNA technician Dani Jones for drug

smuggling—and they plan to kill her to cover the truth. Can former DEA agent Gideon Marshall and his retired drug-sniffing dog make sure she survives long enough to find out why...and clear her name?

Love Inspired brings you three new titles! Enjoy these uplifting contemporary romances of faith, forgiveness and hope. *COURTING HER AMISH HEART* Prodigal Daughters by Mary Davis Single doctor Kathleen Yoder returns to her Amish community knowing acceptance of her profession won't come easy—but at least she has the charming Noah Lambright on her side. Even as Kathleen comes to depend on Noah's support, she knows an Amish husband would never accept a doctor wife. Could Noah be the exception? *HER ALASKAN COWBOY* Alaskan Grooms by Belle Calhoun Honor Prescott is shocked former sweetheart Joshua Ransom is back in Love, Alaska—and that he's selling his grandfather's ranch to a developer! As a wildlife conservationist, Honor is determined to stop that sale. But when the secret behind Joshua's departure is revealed, can she prevent herself from falling for the Alaskan cowboy once again? *THEIR SECRET BABY BOND* Family Blessings by Stephanie Dees Mom-to-be Wynn Sheehan left her dream job in Washington, DC, after her heart was broken. When she becomes the caregiver for Latham Grant's grandfather, she's drawn once again to her long-ago boyfriend. But with her life now in shambles, is her happily-ever-after out of reach for good? Join HarlequinMyRewards.com to earn FREE books and more. Earn points for all your Harlequin purchases from wherever you shop.

The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

From the beloved author of *A Week in Winter* and *The Sea Garden*, *The Songbird* is a heartwarming novel about family, yearning, and whether love can bloom where old secrets are buried. When Tim confides in Mattie that he needs a sabbatical from work and a fresh place to live, she suggests he move into one of the cottages at her family's home in the beautiful English countryside. She senses there's something he's not telling her, but she has faith that he'll fit right in with the eccentric but affectionate crowd at Brockscombe. As he gets to know the warm jumble of family who share their lives, Tim discovers that everyone there has their secrets. There's Kat, a retired ballet dancer who longs to take the stage again; Charlotte, a young navy wife struggling to bring up her son while her husband is at sea; and William, who has tried hard to get over his estranged wife—though it's much harder now that she's trying to move into the cottage Tim just occupied. And, even when she's far away, Tim knows there's Mattie...beautiful, engaging, clever Mattie. Can Tim open up to her? Would it matter, he wonders, if he did? Marcia Willett, the master of the charming country novel, once again weaves the stories of her vibrant, lovable characters into this heartwarming read.

A foolish knight is certain that his side of the wall is the safe side in this clever, amusingly meta picture book by the acclaimed creator of *It's Only Stanley*. There's a wall in the middle of the book, and our hero--a young knight--is sure that the wall protects his side of the book from the dangers of the other side--like an angry tiger and giant rhino, and worst of all, an ogre who would gobble him up in a second! But our knight doesn't seem to notice the crocodile and growing sea of water that are emerging on his side. When he's almost over his head and calling for help, who will come to his rescue? An individual who isn't as dangerous as the knight thought--from a side of the book that might just have some positive things to offer after all!

A haunting gothic tale by master misery writer John Bellairs--soon to be a major motion picture starring Cate Blanchett and Jack Black! "The House With a Clock in Its Walls will cast its spell for a long time."--*The New York Times Book Review* When Lewis Barnavelt, an orphan, comes to stay with his uncle Jonathan, he expects to meet an ordinary person. But he is wrong. Uncle Jonathan and his next-door neighbor, Mrs. Zimmermann, are both magicians! Lewis is thrilled. At first, watching magic is enough. Then Lewis experiments with magic himself and unknowingly resurrects the former owner of the house: a woman named Selenna Iazard. It seems that Selenna and her husband built a timepiece into the walls--a clock that could obliterate humankind. And only the Barnavelts can stop it!

Written by locals, Fodor's travel guides have been offering expert advice for all tastes and budgets for more than 80 years. Planning to focus on just some Italy destinations? Check out Fodor's travel guides to Rome; Venice; Florence & Tuscany; and The Amalfi Coast, Capri & Naples.

From bestselling writer David Graeber—“a master of opening up thought and stimulating debate” (*Slate*)—a powerful argument against the rise of meaningless, unfulfilling jobs...and their consequences. Does your job make a meaningful contribution to the world? In the spring of 2013, David Graeber asked this question in a playful, provocative essay titled “On the Phenomenon of Bullshit Jobs.” It went viral. After one million online views in seventeen different languages, people all over the world are still debating the answer. There are hordes of people—HR consultants, communication coordinators, telemarketing researchers, corporate lawyers—whose jobs are useless, and, tragically, they know it. These people are caught in

bullshit jobs. Graeber explores one of society ' s most vexing and deeply felt concerns, indicting among other villains a particular strain of finance capitalism that betrays ideals shared by thinkers ranging from Keynes to Lincoln. " Clever and charismatic " (The New Yorker), Bullshit Jobs gives individuals, corporations, and societies permission to undergo a shift in values, placing creative and caring work at the center of our culture. This book is for everyone who wants to turn their vocation back into an avocation and " a thought-provoking examination of our working lives " (Financial Times).
