Look up a business or professional license  
Type in the last name and then the first  
name separated by a space, not a comma.  
When you get the results, the highlighted  
number next to the name includes a two-  
digit prefix and then the license number.  
Do not use the two-digit prefix for search  
purposes. (e.g.: 60 123456; the license  
number is 123456).

Case number | legal definition of Case  
number by Law Insider

A simple license plate number search could reveal information about the driver, traffic court records, criminal driving violations, vehicle identification number (VIN), vehicle title information, and more associated license plate records. If a license plate search identifies a specific driver, a broader public records search may be conducted.
