rick renners book living in the combat zone is not for the faint hearted just look at the cover, but having said that his information about the signs and times behind the letters to timothy from paul are excellent. pauls description of the roman soldiers armour and training are quiet explicit. you dont get this teaching in your positive thinking church ,well worth the read also rick renners other book sparking gems I recommend too.

As he explains in great detail, you must cultivate discipline, preparation, and patience in your life before you ever enter the combat zone. You have to take time to learn to fight like a Roman soldier, train like a Greek athlete, and produce like a farmer so you can please the Lord, fulfill your destiny, and receive an eternal crown of victory.

**Living In The Combat Zone**

The title phrase "If I die in a combat zone, box me up and ship me home" is a military marching cadence, dating back to the Second World War. Cadences such as "C-130 rolling down the strip" and "If I die in the combat zone" are also used by the United States Marine Corps.
