Rick Lasky and John Salka are two of the most dynamic and inspirational leaders in the fire service. Their book, Five Alarm Leadership, is a compilation of leadership lessons learned, situations handled, decisions made, and problems solved during their combined 60-plus years of fire service experience. Also included is a special introduction by Chief (ret.) Bobby Halton, Editor-in-Chief of Fire Engineering magazine, outlining the nature of transformational leadership and its power to inspire excellence in the fire service.

This fascinating book contains the remarkable account of Sylvan Muldoor's out of body experience, scientifically edited by one of the world's foremost psychic researchers, Dr. Carrington. Including both the detailed account of Muldoor's experiences and instructions on the technique of projecting the astral body, this book is thoroughly recommended for inclusion on the bookshelf of anyone with an interest in the subject.

This report provides documentation and presents the results of a study to improve the safety of light rail transit (LRT) in semiexclusive rights-of-way where light rail vehicles operate at speeds greater than 35 mph through crossings with streets and pedestrians pathways. This report also presents the results of field tests conducted to improve the safety of higher speed LRT systems through grade crossing design.

Master soloing on the essential jazz chord progressions for guitar

Now in paperback, two novellas from the Hungarian master L á szl ó Krasznahorkai—" one of the most mysterious artists now at work " (Colm To í b í n) The Last Wolf (translated by George Szirtes) is Krasznahorkai in a maddening nutshell—it features a classic obsessed narrator, a man hired (by mistake) to write the true tale of the last wolf in Spain. This miserable experience (being mistaken for another person, dragged about a cold foreign place, and appalled by a species ' s end) is narrated—all in a single sentence—as a sad looping tale, a howl more or less, in a dreary Berlin bar to a patently bored bartender. Herman (translated by John Batki), " a peerless virtuoso of trapping who guards the splendid mysteries of an ancient craft gradually sinking into permanent oblivion, " is asked to clear a forest ' s last " noxious beasts. " He begins with great zeal, although in time he " suspects that maybe he was ' on the wrong scent. " Herman switches sides, deciding to track entirely new game ...

Provides an overall introduction to the welding process, illustrating most of the common equipment and work techniques for both the home and shop welding.
