This book provides practical guidance to the contemporary manager, stressing the critical thinking and problem solving skills required to navigate today's complex business environments. This edition also stresses the role of technology and the dramatic rise and importance of social media and data driven decision making. Framed around the functional areas of management—Planning, Organizing, Staffing, Influencing, and Controlling--the authors continue to emphasize the need for organizations and their people to be guided by effective leadership and continuous improvement. Each chapter includes a series of box inserts providing a deeper insight into specialized areas of management. Global Applications features the successful application of one or more of a chapter's concepts from the practice of management in non-U.S. situations. Ethical Management boxes showcase managers facing decisions that contain a variety of issues and consequences for themselves and others. Valuing Diversity and Inclusion boxes depict unique ways in which organizations show appreciation for their diverse employees. Managing Social Media boxes focus on managers' use of technology in various aspects of management, as well as its impact on the manager and the organization."

In the bestselling tradition of Indianapolis and In Harm's Way comes a "captivating...gripping" (Kirkus Reviews, starred review) account of the USS

Plunkett—a US Navy destroyer that sustained the most harrowing attack on any Navy ship by the Germans during World War II, later made famous by John Ford and Herman Wouk. “A reflection on the nature of storytelling itself” (The Wall Street Journal), *Unsinkable* traces the individual journeys of five men on one ship from Casablanca in North Africa, to Sicily and Salerno in Italy and then on to Plunkett’s defining moment at Anzio, where a dozen-odd German bombers bore down on the ship in an assault so savage, so prolonged, and so deadly that one Navy commander was hard-pressed to think of another destroyer that had endured what Plunkett had. After a three-month overhaul and with a reputation rising as the “fightin’est ship” in the Navy, Plunkett (DD-431) plunged back into the war at Omaha Beach on D-Day, and again into battle during the invasion of Southern France—perhaps the only Navy ship to participate in every Allied invasion in the European theatre. Featuring five incredibly brave men—the indomitable skipper, who will receive the Navy Cross; the gunnery officer, who bucks the captain every step of the way to Anzio; a first lieutenant, who’s desperate to get off the ship and into the Pacific; a seventeen-year-old water tender, who’s trying to hold onto his hometown girl against all odds, and another water tender, who mans a 20mm gun when under aerial assault—the dramatic story of each plays out on the decks of the Plunkett as the ship’s story escalates on the stage of the Mediterranean. Based on Navy logs, war diaries, action reports, letters, journals, memoirs, and dozens of interviews with the men who were on the ship and their families, *Unsinkable* is a timeless evocation of young men stepping up to the defining experience of their lives. “If you were moved by Norman Maclean’s *A River Runs Through It*, by William Kent Krueger’s *This Tender Land*...by the values we hold dear, decency, sacrifice, steadfastness, then *Unsinkable* will take you to a place long dead in your soul, and flood it with light” (Doug Stanton, #1 New York Times bestselling author of *Horse Soldiers*).
