Set Against The Rural Backdrop Of Gujarat, It’S A Fictionalized Account Of The Great Famine Of 1990, Which Had Ravaged This Part Of The World. Written In A Simple, Direct Style, Free Of Conventional Artifice And Sophistication It Is Not yCrude y Or yRawy. <div> <p>The kingdom of Patan is under attack from the army of Avanti. People have fled their villages to seek refuge in the city. Amidst the mounting panic, the arrival of Kaak, a young warrior from La at, sets in motion a frantic chain of events. The Lord and Master of Gujarat is set four years after The Glory of Patan, and unfolds at dizzying speed, abounding in conspiracies, heroism and romance. From the spectacular rise of Sidhraj Jaysinh to the intrigues surrounding the consolidation of Gujarat, from the growing romance between Kaak and Manjari to the escalating tension between Munjal Mehta and Kirtidev over the future of the kingdom, this is an epic novel in the grand tradition of Alexandre Dumas. Arguably K.M. Munshi's best-known work, it deftly weaves state politics and battles with personal trials and tribulations into one glorious tapestry.</p></div>

<div> <p>Dhandha, meaning business, is a term often used in common trade parlance in India. But there is no other community that fully embodies what the term stands for than the Gujaratis. Shobha Bondre’s Dhandha is the story of a few such Gujaratis: Jaydev Patel—the New York Life Insurance agent credited with having sold policies worth \$2.5 billion so far; Bhimjibhai Patel—one of the country’s biggest diamond merchants and co-founder of the ambitious ‘Diamond Nagar’ in Surat; Dalpatbhai Patel—the motelier who went on to become the mayor of Mansfield County; Mohanbhai Patel—a former Sheriff of Mumbai and the leading manufacturer of aluminium collapsible tubes; and Hershah and Hasu Shah—owners of over a hundred hotels in the US. Travelling across continents—from Mumbai to the United States—in search of their story and the common values that bond them, Dhandha showcases the powerful ambition, incredible capacity for hard work, and the inherent business sense of the Gujaratis.</p></div>

<div> <p>This is one of the many inspiring books from the renowned ‘Motivator’ Dr. G. Francis Xavier. Evidently, this harvest of stories has been gleaned from lands he visited and books he read. Xavier, who conducts full-house personal growth courses has brought out this compendium in an interactive form, making the reader give the answers at the end of the story, which is a novel approach. Stories and examples are the best way to inspire, and this volume can be gifted to anyone. It is useful for preachers, speakers and teachers. The book appeals to readers of all ages except the morose and irredeemable negativolics (negative thinking addicts) and anti-reading teenagers. It has stories to inspire and promises uninterrupted chuckles till the end. There are also quotations on success.</p></div>

<div> <p>Surveys the many regional literatures of 20th century India.</p></div>

<div> <p>"KURUKSHETRA" depicts a small part of a very well known Hindu epic, Mahabharata, in which a terrible fratricidal war is narrated. This prestigious award winning book, is a very beautiful piece of Gujarati literature, from India. Manubhai Pancholi, "Darshak" has created a fictional novel based on the epic and makes us visualize Kurukshetra with a unique angle through his powerful pen. It starts with a delicate love affair between Tapati, daughter of a guru and Takshak, a tribal youth coming from two different strata of society where intermingling is not desired. More over the budding love gets scorched by the upcoming terrible war which could destroy all the kingdoms and entire culture of the contemporary North India. The war can be compared to today's world war, Brahmastra a terrible weapon, comparable to today's atomic bomb was used to seek revenge! Though based on mythological epic Darshak unveils almost all universal human emotions to pluck down the barriers of Time and Place! It also discusses the intermingling of Aryans and tribal communities. More over through the characters of Draupadi and Tapati successfully paints the strong and passionate qualities of the women. I translated Kurukshetra in English so Non Gujarati readers can enjoy this unique piece of Indian literature. - Rohini</p></div>

<div> <p>In the early twentieth century, Adivasi villages typically comprised small wooden huts amid a thickly forested landscape. Today, Adivasi dwellings are larger, more permanent, built of mud and often covered with elaborate murals. Drawing out stories of everyday lives that have largely remained hidden from history, In Forest, Field and Factory: Adivasi Habitations through Twentieth Century India uncovers how and why Adivasi dwellings changed, and what it reveals about communities' relationships with their environments. The book focuses on Santals, one of the largest Adivasi communities in eastern India, who are particularly renowned for precision and craftsmanship in domestic architecture and mural art. Why did Santal families shift from using wood to building with mud? How did different Santal villages develop distinctly different mural art traditions? In answering these questions, a new kind of historical narrative emerges—one that is not about buildings alone but also provides insights into Adivasi people's lives and their engagements with social, environmental and historical environments via architecture. This book will be of equal interest to students and scholars of architecture, history, environment studies and anthropology.</p></div>
