UX User Research 101[Episode 4 – UX Strategy Book Editing Session with Author Jaime Levy](#). Le Content Ux Strategy

UX and Content come hand to hand. UX alone cannot communicate what ' s needed, so content should be crafted to make an impact on our users. Content should drive design. A CS will focus on describing too much while UX designers can limit words used. When content and UX designers/strategists will find an easy connection and understand the purpose of our design.

Content Strategy and UX: A Modern Love Story | UX Magazine

UX Strategy is about defining what kind of experience you want. For example Apple claims that they start with "How they want people to feel" when they start the design. Strategy then gets into a plan to get to there.. for example doing away with skeumorphic design in favor of a flat design, focussing more in typography to bring more simplicity.
