This is book two in her Alex Barnaby series. Alex trained as an engineer but has somehow ended up in motor racing as a spotter. From this position, she observes some odd behaviour from Gobbles, the spotter for another team, just before a crash that allows a less talented driver to win and her driver, Hooker, to come in second.

Miami is still freakin' humid. The nights are even hotter. And there's a body on ice. And that's just the beginning of this adrenaline-rush of a hot-wired ride from phenomenal number one New York Times bestselling author Janet Evanovich. A woman with a taste for speed and a talent for breaking the rules, Barney also knows a little too much about cheating. First there was Hooker and that salesclerk. Now she's convinced one of the competitors is up to no good on the track. Snooping to find evidence, Hooker and Barney "borrow" a NASCAR hauler. Turns out, the hauler is carrying two race cars and a dead guy. It looks like Barney and Hooker are facing multiple counts of grand theft auto and homicide. So buckle up as Barney, Hooker, a 150-pound bundle of Saint Bernard love named Beans, and the Super Cigar Ladies Felicia and Rosa shift into gear on a wild race around South Florida and Concord, North Carolina. Everything you always wanted to know about righteous indignation, stealing an eighteen-wheeler, and sex in the fast lane.

Barney and Hooker are together again and fighting crime, leaving a trail of chaos, panic, and disorder in their wake. Some would say they're drawn toward trouble like a moth to a flame. Others would claim their friends, Rosa and Felicia, dump trouble in Barney's and Hooker's laps. Either way, they are in over their heads when Rosa is kidnapped, and her disappearance is linked to a dangerous voodoo priest and his search for a mystery-drenched stolen statue. Written by Janet and Alex Evanovich, and illustrated by Joëlle Jones (Dr. Horrible, Token), Troublemaker brings ultimate adventure set in sun-filled Miami! • Janet Evanovich, the New York Times number-one best-selling author, brings her hit Barnaby series to Dark Horse Comics! • The entire Troublemaker story collected into one affordable volume! • "With art reminiscent of the Florida sun and writing supercharged with action, the

Troublemaker graphic novel from best-selling author Evanovich and her daughter is a winner!"—RT Book Reviews

When her wild and womanizing younger brother goes missing in southern Florida, Alexandra Barnaby endures humidity, sunburn, and bugs in her search for him alongside Sam Hooker, who believes Barnaby's brother has stolen his boat.

Alexandra (Barney) Barnaby roars onto the Miami Beach scene in hot pursuit of her missing baby brother, "Wild" Bill. Leave it to the maverick of the family to get Barney involved with high-speed car chases, a search for sunken treasure, and Sam Hooker, a NASCAR driver who's good at revving a woman's engine. Engaged in a deadly race, Bill has "borrowed" Hooker's sixty-five-foot Hatteras and sailed off into the sunset...just when Hooker has plans for the boat. Hooker figures he'll attach himself to Barney and maybe run into scumbag Bill. And better yet, maybe he'll get lucky in love with Bill's sweetie pie sister. The pedal will have to go to metal if Barney and Hooker want to be the first to cross the finish line, save Bill, Hooker's boat...and maybe the world.

Far too busy to get involved with men or marriage, Cate Madigan spends her time in school and working as a bartender, but her life changes when she encounters ex-cop Kellen McBride, a man who quickly draws her into danger.

NEW YORK TIMES BESTSELLER • Janet Evanovich, bestselling author of the Stephanie Plum series, teams up with Emmy-winning writer Phoef Sutton for a brand-new series of mysteries featuring Emerson Knight and Riley Moon, a dynamic duo with instant and undeniable chemistry. Emerson Knight is introverted, eccentric, and has little to no sense of social etiquette. Good thing he's also brilliant, rich, and (some people might say) handsome, or he'd probably be homeless. Riley Moon has just graduated from Harvard Business and Harvard Law. Her aggressive Texas spitfire attitude has helped her land her dream job as a junior analyst with mega-bank Blane-Grunwald. At least Riley Moon thought it was her dream job, until she is given her first assignment: babysitting Emerson Knight. What starts off as an inquiry about missing bank funds in the Knight account leads to inquiries about a missing man, missing gold, and a life-and-death race across the country. Through the streets of Washington, D.C., and down into the underground vault of the Federal Reserve in New York City, an evil plan is exposed. A plan so sinister that only a megalomaniac could think it up, and only the unlikely duo of the irrepressibly charming Emerson Knight and the tenacious Riley Moon can stop it. Praise for Curious Minds "The one-liners fly at a ferocious pace. . . . Evanovich fans will find this closer in style to the Stephanie Plum

novels.”—Booklist “Evanovich’s comedic timing and pacing are evident on every page.”—Daily Republic

Welcome to Trenton, New Jersey, where bounty hunter Stephanie Plum's life is about to implode in Janet Evanovich's wildest, hottest novel yet! **FIRST A STRANGER APPEARS** While chasing down the usual cast of miscreants and weirdos Stephanie discovers that a crazed woman is stalking her. **THEN THE STRANGER REVEALS HER SECRETS** The woman dresses in black, carries a 9mm Glock, and has a bad attitude and a mysterious connection to dark and dangerous Carlos Manoso ...street name, Ranger. **NEXT, SOMEBODY DIES** The action turns deadly serious, and Stephanie goes from hunting skips to hunting a murderer. **SOON, THE CHASE IS ON** Ranger needs Stephanie for more reasons than he can say. And now, the two are working together to find a killer, rescue a missing child, and stop a lunatic from raising the body count. When Stephanie Plum and Ranger get too close for comfort, vice cop Joe Morelli (her on-again, off-again boyfriend) steps in. Will the ticking clock stop at the stroke of twelve, or will a stranger in the wind find a way to stop Stephanie Plum...forever? Filled with Janet Evanovich's trademark action, nonstop adventure, and sharp humor, *Twelve Sharp* shows why her novels have been called "hot stuff" (The New York Times), and Evanovich herself "the master" (San Francisco Examiner).

The wondrous Aimee Bender conjures the lush and moving story of a girl whose magical gift is really a devastating curse. On the eve of her ninth birthday, unassuming Rose Edelstein, a girl at the periphery of schoolyard games and her distracted parents' attention, bites into her mother's homemade lemon-chocolate cake and discovers she has a magical gift: she can taste her mother's emotions in the cake. She discovers this gift to her horror, for her mother—her cheerful, good-with-crafts, can-do mother—tastes of despair and desperation. Suddenly, and for the rest of her life, food becomes a peril and a threat to Rose. The curse her gift has bestowed is the secret knowledge all families keep hidden—her mother's life outside the home, her father's detachment, her brother's clash with the world. Yet as Rose grows up she learns to harness her gift and becomes aware that there are secrets even her taste buds cannot discern. *The Particular Sadness of Lemon Cake* is a luminous tale about the enormous difficulty of loving someone fully when you know too much about them. It is heartbreaking and funny, wise and sad, and confirms Aimee Bender's place as “a writer who makes you grateful for the very existence of language” (San Francisco Chronicle). **BONUS:** This edition includes an excerpt from Aimee Bender's *The Color Master*.

On Boston's North Shore, pastry chef Lizzie Tucker is recruited by newcomer Diesel to track down a cache of priceless ancient relics while keeping them out of the hands of Diesel's criminal mastermind cousin.

A stoner, an Instagram model, a Czech oligarch, and a missing unicorn. Nick Fox and Kate O'Hare have their work cut out for them in their weirdest, wildest adventure yet in this New York Times bestseller by Janet and Peter Evanovich. Straight arrow FBI Agent Kate O'Hare always plays by the rules. Charming Con Man Nicholas Fox makes them up as he goes along. She thinks he's nothing but a scoundrel. He thinks she just needs to lighten up. They're working together to tackle the out-of-bounds cases ordinary FBI agents can't touch. And, their relationship? Well, there hasn't been so much explosive chemistry since Nitro was introduced to Glycerin. Next on the docket: The mysterious disappearance of the Silicon Valley billionaire, known as the Big Kahuna. Kate's been assigned to find him but no one seems particularly keen on helping. His twenty-six year old adult actress wife-turned Instagram model wife and his shady Czech business partner are more interested in gaining control of his company. For that they need a dead body not a living Kahuna. The only lead they have is the Kahuna's drop-out son, who's living the dream in Hawaii - if your dream is starting your day with the perfect wave and ending it with a big bowl of weed. To get close to the Kahuna's son, Kate and Nick go undercover as a married couple in the big wave, bohemian, surfer community of Paia, Maui. Living a laid back, hippy-dippy lifestyle isn't exactly in Kate's wheelhouse, but the only thing more horrifying is setting up house with Nick Fox, even if he does look pretty gnarly on a longboard. If they don't catch a break soon, waves aren't the only thing she's going to be shredding (or bedding).
