Joshua P. Warren teaches the novice ghost hunter the basics, which above all include treating the paranormal as any other scientific field: one requiring well-documented research and hard evidence. This unique guide breaks down the theories, explains the tools of the trade, and even offers forms to facilitate your investigation. Peppared with anecdotes from Warren's personal experience, *How to Hunt Ghosts* offers answers to such questions as:

- What is a ghost?
- How does a ghost interact with the world?
- Where can you find a haunted house?
- Why do people usually see

comprehensive, no-nonsense approach, Chase Kloetzke has set a new standard for investigators of strange phenomena. UFOs, ghosts, and strange creatures like Bigfoot are some of the most interesting subjects in our world, mainly because they challenge the very sense of reality that most of us grew up with. These things aren't supposed to exist. The problem, however, is that reports of them just keep coming, even well into the 21st century. Conducting a good investigation of these elusive subjects is not easy. How do you plan your investigation? What's the best way to interview your witnesses? What kind of

equipment should you bring? What kind of clothing? How do you do a proper stake-out of a location? What safety precautions should you take? How do you obtain, handle, and preserve evidence? How do you document your case for posterity, so that others can learn from it? Also, what kind of strangeness should you expect from investigating these very odd encounters? What do you need to know? How can you prepare for something that exists at the edges of our shared reality? The purpose of this book is to teach you these things. Until now, there hasn't been a clearly written general guide for

Ghosts and ghouls, demons, poltergeists, phantoms, haunted houses, and shadow people—why is America so captivated by the creepy and unexplained? Paranormal Obsession is the first book to explore why we have an insatiable interest in spirits, ghost hunting, and all things otherworldly. Paranormal investigator and researcher Deonna Kelli Sayed reveals how and why our fascination with spirits started. She interviewed ghost hunters, religious figures, scientists, academics, and cast members of the popular TV shows Ghost Hunters and
