Konica Minolta's new digital SLR camera-called the Maxxum 7D in North America and the Dynax 7D elsewhere-offers many unique digital SLR features. Magic Lantern helps users thoroughly understand all its advantages, and goes beyond the user's manual with complete instructions for operating such innovative elements as the exclusive Konica Minolta Anti-Shake System, exposure compensation settings, white balance controls, creative focus control, auto exposure, and honey-comb metering system.

In the year 2163 a corrupt World Government controls everything on our planet and beyond. Sixteen year-old Sierra has been so caught up in her own world of saving animal test subjects and her father's disappearance, she hasn't paid much attention. When she finally finds his location, she and her friend set off on a covert interplanetary mission to rescue him, she begins to see the corruption first hand. Discovering that her father has been on the front lines secretly trying to save human test subjects inspires her to join a revolution. But she is afraid of the collateral damage of hurting the people she loves. Will she find the strength to make a deal with the mad scientist Cromwell to save not just her friends and family but everyone?
