The Pendragon Cycle is a series of historical fantasy books based on the Arthurian legend, written by Stephen R. Lawhead. The cycle was originally planned as a four-book series, but the original publisher opted to stop after the first three books, resulting in Arthur's rather abrupt ending and the existence of many unexplored stories and plotlines. Lawhead moved to a new publisher a few years later and it decided to expand on the trilogy by finishing the series and two additional books were ...
