meaning they are born with no soul.

During the beginning of the game, the protagonist experiences an awakening of power due to a disastrous supernatural event, discovering they are a "Watcher": a person who can see souls and past lives. The objective of the game is to find out what caused their awakening and how to solve the hollowborn problem."--Wikipedia.

Pillars of Eternity (original working title Project Eternity) is an upcoming old-school fantasy role-playing video game from Obsidian Entertainment. It is notable for its crowd funding campaign, which raised £3,986,929, at the time the highest funded crowd sourced video game on Kickstarter. The game will be released in 2015. Packed with never-before-seen art and in-depth lore, this is the definitive exploration of the acclaimed new video

Seven Pillars of Wisdom is a memoir of the soldier known as 'Lawrence of Arabia.' Lawrence is a fascinating and controversial figure and his talent as a vivid and imaginative writer shines through on every page of his masterpiece. 'Seven Pillars of Wisdom' written between 1919 and 1926, is an extraordinary tale of action, politics and adventure. The story describes heroism through instances of war by a man who not only shaped events but was molded by them. The genre of the book can be related to many broad subjects like political history, military strategy, pathology or travel story. Lawrence, known as the defender of the empire, had found war in the Arab world and a long-lasting sideline to the War to End All Wars. This war
