Chilling. Candid. Controversial. This is the voice of one man from within a dark scandal that nestled in the heart of London's Soho in the 1970s. Travelling to the big city to escape The Troubles in his native Northern Ireland, Anthony Daly accepted a job in Foyles Bookshop and began a new life in England. However, his naivety saw him quickly fall foul of predators, looking for young men to blackmail and sexually exploit. After years of hiding the secret of his abuse at the hands of some of the most influential men in the country, Anthony's trauma became harder to contain as he witnessed revelations of historic abuse coming to light on TV and in newspapers. Then, finally his lost voice ripped through the safe family life he had built over 40 years. With parallels to Joseph Conrad's Heart of Darkness, this is stylishly written and politically explosive. The haunting true story of a young man's decent into a hell designed to satisfy the powerful. A world that destroyed the lives of everyone involved.

A chilling exposé of corporate corruption and government cover-ups, this account of a nationwide child-trafficking and pedophilia ring in the United States tells a sordid tale of corruption in high places. The scandal originally surfaced during an investigation into Omaha, Nebraska's failed Franklin Federal Credit Union and took the author beyond the Midwest and ultimately to Washington, DC. Implicating businessmen, senators, major media corporations, the CIA, and even the venerable Boys Town organization, this extensively researched report includes firsthand interviews with key witnesses and explores a controversy that has received scant media attention.

No politician pandered to the media's appetite for personality more than Liberal MP Cyril Smith. Instantly recognisable for his colossal build, Smith was a larger-than-life character in a world of dull grey men. Yet 'Big Cyril' was anything but the roly-poly gentle giant of popular imagination. In November 2012, Rochdale MP Simon Danczuk outed Smith in Parliament as a serial child abuser. Now, in this devastating exposé, he describes how Smith used his profile to groom and sexually abuse young boys, frequently in institutions he had helped to establish. His victims, often troubled boys from broken homes, had no voice against their attacker and, though rumours abounded, Smith's appalling crimes went unnoticed by the public and unpunished by the authorities. Smile for the Camera is not just about a terrible abuse of power. It's about those who knew that abuse was taking place but looked the other way, making the corridors of Westminster a safe haven for paedophiles like Cyril Smith. This updated edition of the book that sparked a criminal investigation brings shocking new material to light, asking urgent questions of those who allowed Smith to prey on young children for decades without question.

In 1929, in the blue-collar city of Portsmouth, Ohio, a company built a swimming pool the size of a football field; named Dreamland, it became the vital center of the community. Now, addiction has devastated Portsmouth, as it has hundreds of small rural towns and suburbs across America--addiction like no other the country has ever faced. How that happened is the riveting story of Dreamland. With a great reporter's narrative skill and the storytelling ability of a novelist, acclaimed journalist Sam Quinones weaves together two classic tales of capitalism run amok whose unintentional collision has been catastrophic. The unfettered prescribing of pain medications during the 1990s reached its peak in Purdue Pharma's campaign to market OxyContin, its new, expensive--extremely addictive--miracle painkiller. Meanwhile, a massive influx of black tar heroin--cheap, potent, and originating from one small county on Mexico's west coast, independent of any drug cartel--assaulted small town and mid-sized cities across the country, driven by a brilliant, almost unbeatable marketing and distribution system. Together these phenomena continue to lay waste to communities from Tennessee to Oregon, Indiana to New Mexico. Introducing a

memorable cast of characters--pharma pioneers, young Mexican entrepreneurs, narcotics investigators, survivors, and parents--Quinones shows how these tales fit together. Dreamland is a revelatory account of the corrosive threat facing America and its heartland.

What is the Meat Rack? It was a place for boys to be sold for sex in Central London. The boys would line up, waiting to be picked. Customers would then approach the pimps and tell them which boy they wanted. Michael Tarraga was a Meat Rack Boy in the 1950s and 60s. In this book he tells the heart-wrenching story of being put into care from the moment he was born, along with his twin brother and older sister. Then sold for sex by those who were supposed to love and care for him. In the book Michael also talks about the time he spent with Edward Heath, the former Prime Minister. My life story by Michael Tarraga.

When Jeremy Thorpe hired thugs to kill his ex-lover, they botched it. What if they had succeeded? ' A breathtaking, heartbreaking thriller ' – Jake Arnott It is February 1976, and the naked corpse of a shockingly underage rent boy is fished out of a pond on Hampstead Heath. Since the police don ' t seem to care, twenty-year-old Tommy Wildeblood – himself a former ' Dilly boy ' prostitute – finds himself investigating. Dodging murderous Soho hoodlums and the agents of a more sinister power, Tommy uncovers another, even more shocking crime: the Liberal leader and likely next Home Secretary, Jeremy Thorpe, has had his former male lover executed on Exmoor and got clean away with it. Now the trail of guilt seems to lead higher still, and a ruthless Establishment will stop at nothing to cover its tracks. In a gripping thriller whose cast of real-life characters includes Prime Minister Harold Wilson, his senior adviser Lady Falkender, gay Labour peer Tom Driberg and the investigative journalist Paul Foot, Adam Macqueen plays ' what if ' with Seventies political history – with a sting in the tail that reminds us that the truth can be just as chilling as fiction. ' A fucking fantastic read. A gripping what-if thriller, packed with vivid period detail and page-turning twists. To find myself actually making an appearance in the final chapter was just cream on the cake ' – Tom Robinson
