### Princesha Argjiro - Wikipedia

Një nga veprat e mia të preferuara nga Ismail Kadare, të cilën e kam lexuar disa herë dhe gjithmonë e lexoj me ëndje. Poezia i tregohet një vajze të vogël për kalan e Gjirokastrës dhe kohës së pushtimit osman. Aty tregohen sakrificat e popullit shqiptar dhe trimëria e guximi i princeshës Argjiro, e cila në vend që t'i dorëzohej pushtuesve u hodh nga bedenat e kalasë me ...

Princesha Argjiro - Bukinist

Argjiro inspired Ismail Kadare in a poem he wrote in the 1960s.

According to local Albanian folkloric traditions she lived in the 15th century and jumped off Gjirokastër Castle in the southern Albanian city of Gjirokastër, along with her child so as to avoid being captured by the Ottomans.

## Read Free *Princesha* Argjiro Nga Ismail

In this autobiographical novel, Albania's most renowned novelist and poet Ismail Kadare explores his relationship with his mother in a delicately wrought tale of home, family, creative aspirations, and personal and political freedom. "Houses like ours seemed constructed with the specific purpose of preserving coldness and misunderstanding for as long as possible." In his father's great stone house with hidden rooms and even a dungeon, Ismail grows up with his mother at the center of his universe. Fragile as a paper doll, she finds herself at odds with her tight-lipped and wise mother—in-law who, as is the custom for women of a certain age, will never again step foot over the threshold to leave her home. Young Ismail finds it difficult to understand his mother's tears, though he can understand her boredom. She told him the reason herself in a phrase that terrified and obsessed the boy: "The house is eating me up!" As Ismail explores his world, his mother becomes fearful of her intellectual son—he uses words she does not understand, writes radical poetry, falls in love far too easily, and seems to renounce everything she believes in. He will, she fears, have to exchange her for some other superior mother when he becomes a famous writer. *The Doll* is a delicate and disarming autobiographical novel, an exploration of Kadare's creative aspirations and their tangled connections to his childhood home and his mother's tenuous place within it.

Psychologically incisive and impeccably crafted, *Agamemnon's Daughter* tells the crushing story of passion shattered by a heartless regime. Once again, Kadare denounces with rare force the machinery of oppression, drawing us back to the ancient roots of Western civilization and tyranny. This collection also showcases two masterful stories: "The Blinding Order," a parable about the uses of terror in the Ottoman Empire, and "The Great Wall," a chilling duet between a Chinese official and a soldier in the invading army of the great conqueror, Tamerlane.

Das Buch "Burden and Blessing - A Tale of Two Worlds" wird bereits über BOD angeboten. Nun ist die albanische Übersetzung des Buches erhältlich. Shota jeton në Zvicër dhe ka gjithçka që të afërmit e saj në Kosovë e kanë dëshiruar në jetë: lirinë, mundësitë dhe ambiciet. Megjithatë, që nga fëmijëria, ajo ndjen se diçka i mungon. Pasi i vdes gjyshja dhe i lënë fletore ku përmenden destinacione të ndryshme në Shqipëri, Kosovë, Mal të Zi dhe në Maqedoninë Veriore, Shota vendos të udhëtojë në këto vende për të qartësuar rrugëtimin e saj jetësor. Në këtë udhëtim, ajo gjen jo vetëm rrëfime të vjetra, por edhe mite, por edhe miqtë rinj, dashurinë dhe veten e saj.

June 28, 1389: Six hundred years before Serbian leader Slobodan Milosevic called for the repression of the Albanian majority in Kosovo, there took place, on the Field of the Blackbirds, a battle shrouded in legend. A coalition of Serbs, Albanian Catholics, Bosnians, and Romanians confronted and were defeated by the invading Ottoman army of the Sultan Murad. This battle established the Muslim foothold in Europe and became the centerpiece of Serbian nationalist ideology, justifying the campaign of ethnic cleansing of Albanian Kosovars that the world witnessed with horror at the end of the past century. In this eloquent and timely reflection on war, memory, and the destiny of two peoples, Ismail Kadare explores in fiction the legend and the consequences of that defeat. *Elegy for Kosovo* is a heartfelt yet clear-eyed lament for a land riven by hatreds as old as the Homeric epics and as young as the latest news broadcast.
