"How the Rhodesian Ridgeback Got Its Ridge" is a charmingly illustrated and cleverly written fable, about how this breed of dog from southern Africa got the trademark stripe of hair on its back. In this whimsical creation tale, God surveys the various dogs He has created, and, in ticking off their idiosyncracies, decides to try one more time in creating the perfect canine. But in making a dog that is as smart as it is beautiful, God sets the stage for a mishap that leads to unintended consequences. If you love Ridgebacks and want to share that passion with a younger generation - or if you just love a clever story, beautifully told and illustrated - this is the book for you.

What constitutes dog training and what is it good for? And how can you and your Rhodesian Ridgeback profit from it without having any experience? The most important thing is to understand how a dog sees his world, what is “ normal ” for him and how you can use this to your advantage. In addition, the characteristics of each breed are significant when you get beyond the basic training phase. Your Rhodesian Ridgeback will show characteristics which are different to those of a Chihuahua, for example, and this is predominantly what you need to consider during training. I love my dog and know how important it is to adapt the training to suit each breed. It is exactly this desire that prompted me to write this book. My aim is to help every beginner, not only to understand his dog better, but also to know exactly how to get the best results, step-by-step, so that you can achieve a close, positive and trusting human-dog relationship. ” Quench your curiosity to know about background information, read reports on other experiences and obtain step-by-step instructions and secret tips which are tailor-made for your Rhodesian Ridgeback.
