From New York Times bestselling author Jayne Ann Krentz comes a gripping new romantic suspense trilogy fraught with danger and enigma. Decades ago in the small town of Fogg Lake, The Incident occurred: an explosion in the cave system that released unknown gases. The residents slept for two days. When they woke up they discovered that things had changed—they had changed. Some started having visions. Others heard ominous voices. And then, scientists from a mysterious government agency arrived. Determined not to become research subjects of strange experiments, the residents of Fogg Lake blamed their "hallucinations" on food poisoning, and the story worked. But now it has become apparent that the eerie effects of The Incident are showing up in the descendants of Fogg Lake.... Catalina Lark and Olivia LeClair, best friends and co-owners of an investigation firm in Seattle, use what they call their "other sight" to help solve cases. When Olivia suddenly vanishes one night, Cat frantically begins the search for her friend. No one takes the disappearance seriously except Slater Arganbright, an agent from a shadowy organization known only as the Foundation, who shows up at her firm with a cryptic warning. A ruthless killer is hunting the only witnesses to a murder that occurred in the Fogg Lake caves fifteen years ago--Catalina and Olivia. And someone intends to make both women vanish.

A rare book. An ancient code. A new trilogy that "starts off with promise" (Pittsburgh Post-Gazette) from the New York Times bestselling master of passion and the paranormal. Within the pages of very rare books some centuries old lie the secrets of the paranormal. Abby Radwell's unusual psychic talent has made her an expert in such volumes—and has sometimes taken her into dangerous territory. After a deadly incident in the private library of an obsessive collector, Abby receives a blackmail threat, and rumors swirl that an old alchemical text known as The Key has reappeared on the black market. Convinced that she needs an investigator who can also play bodyguard, she hires Sam Coppersmith, a specialist in paranormal crystals and amber—"hot rocks." Passion flares immediately between them, but neither entirely trusts the other. When it comes to dealing with a killer who has paranormal abilities, and a blackmailer who will stop at nothing to obtain an ancient alchemical code, no one is safe.

In a rugged Oregon town torn apart by a long-time family feud, wedding consultant Hannah Harte is reunited by an unexpected inheritance with Rafe Madison, but their attraction is complicated by the hostilities that divide their families.

"Seattle gallery owner Virginia Troy has spent years battling the demons that stem from her childhood time in a cult and the night a fire burned through the compound, killing her mother.
