incorporates excellent vocabulary and tips on how to improve one's proficiency in English language.

This book is designed to help students improve their writing skills. From the interpretation of the question to the planning and writing process, the reader is guided step by step in two main sections called Directed Writing and Continuous Writing. Each Model Essay illustrates the process of developing ideas into an essay by putting into practice simple yet invaluable principles of essay writing. An extra section, namely summary writing, is provided to enhance students skills in summarising. Though aimed at SPM students, this book is also suitable for anyone who wants to write well.

explores the answers to these questions across a number of Asian polities. It illustrates why some of the efforts undertaken are successful and why some are not, why – despite significant investments of time and resources – some students do not seem to acquire the languages being taught, and why some teachers responsible for instruction in the designated foreign languages have problems achieving fluency in the designated language or have other language teaching difficulties. It suggests some strategies various polities might attempt to achieve their stated language learning objectives. This book was originally published as a special issue of Current Issues in Language Planning.
