The planning system balances competing

demands to make sure that land is used

and developed in the public's long-term

interest. The effect of the planning

system's decisions should be to help

increase sustainable economic growth,

which is the main purpose of the Scottish

Government.

5th June 2019 | Research and policy.

Proposed legislation to improve the
planning system in Scotland must be
clearer to ensure that it delivers the
planning development programme that
Scottish communities deserve. In a
briefing issued to MSPs, the Law Society
of Scotland has welcomed proposals to
increase community engagement in the
planning process but warns that the
Planning (Scotland) Bill is currently
unworkable and risks adding significant
additional costs on local authorities ...
