The hoar witch and her forest full of malformed creatures await Vanx and his curious group of companions as they try to save the fairy folk and their magical Heart Tree from the powerful old crone and her evil.

Come along, Bill; we'll have to get there, or we won't hear the first of it. Mr. Gray said it would begin promptly at three. "I'm doing my best, Gus. This crutch -" "I know. Climb aboard, old scout, and we'll go along faster." The first speaker, a la

The Nag Hammadi Scriptures, edited by Marvin Meyer, is the most complete, up-to-date, one-volume, English-language edition of the renowned library of Gnostic manuscripts discovered in Egypt in 1945, which rivaled the Dead Sea Scrolls find in significance. It includes the Gospel of Thomas, the Gospel of Mary, and the recently discovered Gospel of Judas, as well as other Gnostic gospels and sacred texts. This volume also includes introductory essays, notes, tables, glossary, index, etc. to help the reader understand the context and contemporary significance of these texts which have shed new light on early Christianity and ancient thought. The compilation of ancient manuscripts that constitute The Nag Hammadi Scriptures is a

discovery that challenges everything we thought we knew about the early Christian church, ancient Judaism, and Greco-Roman religions.

Create your own pirate adventures with this set. Includes instructions on how to use the accompanying Lego pieces to construct them.

The 18th century was a wealth of knowledge, exploration and rapidly growing technology and expanding record-keeping made possible by advances in the printing press. In its determination to preserve the century of revolution, Gale initiated a revolution of its own: digitization of epic proportions to preserve these invaluable works in the largest archive of its kind. Now for the first time these high-quality digital copies of original 18th century manuscripts are available in print, making them highly accessible to libraries, undergraduate students, and independent scholars. Delve into what it was like to live during the eighteenth century by reading the first-hand accounts of everyday people, including city dwellers and farmers, businessmen and bankers, artisans and merchants, artists and their patrons, politicians and their constituents. Original texts make the American, French, and Industrial revolutions vividly contemporary. + + + + The below data was compiled from various identification fields in the bibliographic record of this title.
