#### Skeleton Paper Template - e13 Components

One technique that is widely used with templates and patterns is stencils. Since the base is copy-pasting, it is possible to do this on a large skeleton template. Even though the skeleton template has a lot of detail, and of course it will make the copy-paste process difficult, you can still do it. This is because, with large sizes, the detail is not an obstacle. Of course, you can do collaborative stencils with the skeleton templates.
