Slide Projector Installation
Guide

Number each mount in the
upper right-hand corner of
the film's shiny side.
Insert your first slide into
the first slot in the tray
so that the number is
visible on the outer
circumference of the tray.
Insert your second slide in
the second slot with the

Slide Projector Installation Guide - chimerayanartas.com
Mount the plastic thing to the back of the slide projector. Remember you might need to drill two holes to do so. Now slide in the former bulb holder in its position. If the heat sink is too wide to fit, use little force to push the sides apart. Do the wiring. Make sure you use cable straps to avoid cables stopping the fan.
