When Connor McCloud suddenly shows up at her door and tells her Kurt Novak has broken out of prison, Erin is skeptical about Connor's claims that he will come after her. Standing in the Shadows is exactly what I have come to expect from Shannon McKenna. I waited for this book since last year when BCD came out and I was not disappointed.

Ex-FBI agent Connor McCloud can never forget the day he was set up to die at the hands of trusted friend and fellow agent Ed Riggs. Hard justice and loyalty to his badge have cost Connor what he wants most--Ed's shy, studious daughter Erin. He can never have her now, but her beauty still haunts and torments his every waking hour and his most fevered erotic dreams. But now that his old enemy Kurt Novak has returned, Connor is prepared to do anything to protect the vulnerable young woman from a killer who has vowed a brutal payback... a killer with a predator's lethal patience. Erin has been harboring secret fantasies about Connor McCloud since she first laid eyes on him--but that was before his testimony sent her father to jail. Her world is falling apart and it's all she can do to hold her family together. But now Connor is knocking on her door, telling her she needs his protection, whether she wants it or not. He won't give up and he won't stay away. He's sworn to guard her life with his own and his fierce protectiveness awakens long-buried feelings--and a fiery sexuality deep within her soul. . .

Every Move You Make. . . Surveillance expert Seth Mackey knows everything about the women that his millionaire boss toys with--and tosses aside. Raine Cameron is something different. Night after night, Seth watches her on a dozen different video screens. Her vulnerable beauty haunts him and her fresh innocence stirs a white-hot passion that he can barely control. Raine is pure temptation, but Seth has something more important to take care of first. He's convinced that his boss, Victor Lazar, is responsible for his half-brother's murder. He cannot put his secret investigation at risk, but he can't stop wanting her--craving her--and soon he knows he can't let Victor have her. For Raine may be Victor's next victim. . . Every Breath You Take Raine knows she's being watched--but no one can see the secrets in her heart. She has reasons of her own to seek revenge on Victor Lazar, and she will, despite her fear--and the distracting presence of Seth Mackey. Though Raine has little experience with men, Seth's fiercely masculine good looks and animal sensuality stir her most erotic fantasies when she's alone. . .and lead her to a bold plan. Offering her body to him, surrendering totally to his ruthless desire might well push her beyond all emotional limits--and beyond fear itself.

Behind Closed Doors Surveillance expert Seth Mackey knows everything about the women that his millionaire boss toys with--and tosses aside. Her vulnerable beauty haunts him and her fresh innocence stirs a white-hot passion that he can barely control. Raine is pure temptation, but Seth has something more important to take care of first. He's convinced that his boss, Victor Lazar, is responsible for his half-brother's murder. He cannot put his secret investigation at risk, but he can't stop wanting her--craving her--and soon he knows he can't let Victor have her. For Raine may be Victor's next victim. . . Standing in the Shadows Connor McCloud won't forget the day his friend Ed Riggs almost killed him. It cost Connor what he wants most--Ed's daughter Erin. He can't have her now, but she still haunts him. When an old enemy resurfaces, Connor will do anything to protect her. Out of Control Davy McCloud has one rule: never follow blind impulse when it comes to women. But he breaks it when Margo Vetter shows up. The sexual hunger--and the instinctual protectiveness--she awakens are too strong to resist. Edge of Midnight On the very day an arsonist burns down Liv Endicott's bookstore, she finds another shock; Sean McCloud. He's still the man she's always wanted. But wanting is not the same as trusting, and she doesn't dare let him get close. But a ruthless killer is gunning for Liv, and she'll die unless they join forces to unearth a chilling truth--and come together in a blaze of searing passion... Extreme Danger Nobody's home when Becca Cantrell takes a midnight skinnydip--and is hauled out by a guy with burning eyes. He is the embodiment of her most intense fantasies. And she's up for risky thrills... Nick Ward can't tell Becca that he's spying on a vicious Russian crime boss. She could be an assassin sent to kill him, a call girl sent to distract him, or worst of all--a clueless innocent. Anyway he looks at it, she's trouble: beautiful, bare, dripping-wet trouble... Ultimate Weapon Val Janos is all about undercover operations. He is mysterious, sinister, and lethally hot. Only Tamara can understand--and match--the intensity that drives him to win at all costs. Val has one weak spot: Imre, the man who befriended him when he was a kid abandoned on the streets of Budapest. But Val's worst enemy knows about Imre, and his head is on the block if Val doesn't deliver Tam... Fade to Midnight If the wrong person learned of Edie Parrish's gift, her life would be in danger, so she is good at keeping people away. But when Kev Larson discovers who she is, Edie's only choice is to trust him. And soon, Edie can't resist her consuming desire--even though she knows she'll have to pay a price for it.

Accused of a crime she did not commit and now the target of a relentless stalker, Margot Vetter turns to sexy P.I. Davy McCloud for help, and as undeniable passion rages between them, dark secrets from her past are exposed, placing both of their lives in danger. Original, 50,000 first printing.

In Behind Closed Doors and Standing in the Shadows, Shannon McKenna introduced the McCloud Brothers: intense, rugged, and super-sexy. Now, Davy McCloud is about to meet a woman he can't trust--or live without. . . Disillusioned P.I. Davy McCloud has an ironclad rule: never follow blind impulse when it comes to women. But he breaks it the instant gorgeous Margo Vetter shows up to teach at the gym next door. The sexual hunger--and the instinctual protectiveness--that she awakens is much too strong to resist. Broke and on the run, framed for a murder she didn't commit, Margot has no one to turn to but Davy McCloud. But the closer he comes, the more Margot discovers that holding back--or hiding--from this enigmatic, powerful man is impossible. In every way. . . Then passion flares with unexpected intensity. But Margot's past has finally caught up with her, and life is about to get more than complicated. It's turning deadly. . .

When an arsonist burns down her bookstore, Liv Endicott finds love amidst the ashes when a man from her past arrives to protect her from a very determined killer. Reprint.

But Daddy Novak knows about Imre, and Imre's head is on the block if Val doesn't deliver Tam up to Novak's tender mercies. . . A white-hot passion explodes when Tam and Val get too close. They both have too much to be afraid of, too much to hide. And now, for the first time, too much to lose. . . He survived his brutal ordeal, but his memories before that night were completely erased. When he nearly dies from trying to save someone from drowning, the brain surgery he has to save his life triggers fragmented, terrifying memories. With only these memories and the name of his torturer to guide him, Kev is determined to unlock the secrets to his past. Edie Parrish has always been good at not letting anyone get too close to her. If someone were to learn of her unusual gift, her life would be immediately jeopardized. But when Kev Larsen discovers who she really is, Edie has only one choice: to trust him. And soon, Edie can't resist her consuming desire for him--even though she knows she'll have to pay a price for it. Now Kev and Edie must race against time and place their faith in each other to stop a deadly legacy. . .
