Star Trek: 25th Anniversary Manual (pdf) :: Computer games based on the Star Trek television series were not particularly good sellers. Star Trek: 25th Anniversary was the first critical and popular hit, and helped expand the Star Trek franchise throughout computer gaming. It was an odd combination of flight simulator and adventure game. The game chronicles various missions of James T. Kirk ...

Star Trek: 25th anniversary is just such an exception. Star Trek: 25th anniversary is by no means the first Star Trek PC game. Quite a few attempts had been made to produce a decent Star Trek title, from simple trivia question games to full fledged adventure games that featured either cast from the original series (TOS) or the next generation ...
