with 99 percent confidence.

STATISTICS FOR ECONOMISTS: A BEGINNING - U of T : Economics

Economic statistics is a

Read Book Statistics For Management Economics By Keller Solution

topic in applied statistics that concerns the collection, processing, compilation, dissemination, and analysis of economic data. It is also common to call the data themselves 'economic statistics', but

Read Book Statistics For Management Economics By Keller Solution

for this usage see economic data. The data of concern to economic statistics may include those of an economy within a region, country, or group of countries.
