Successful Property Letting: How to Make Money in Buy to---

Understand that in property investment, you can either sell the property at a higher value or rent it out and earn from the rental income. Either way, works but you need to know how to use both means of monetizing your property.

How to Be Successful in Property Investment: 7 Steps

I co-founded Yellow Lettings – a (on-our-way-to-being) nationwide letting agency – in 2014. Although I've never been hands-on in the business, overseeing hundreds of tenancies has taught me a lot of lessons.. At this level of scale, patterns and anomalies start to emerge that you wouldn't necessarily notice if you were just managing your own portfolio.

6 lessons for self-managing landlords |Property Geek

It includes advice on: - Getting the best possible deals from developers and private sellers, and at auctions. - Managing issues such as tax, mortgages, credit rating, insurances, damp, flood risk, and letting agents. - Complying and keeping up to date with all laws and regulations. - Avoiding tenants from hell.

Moira Stewart reveals how to buy and prepare property, how to find a tenant, how to run and manage the property - including how to decide whether to use a letting agency - and when it is appropriate to seek professional advice.

Updated for 2018 - includes all the tax and legislative changes announced during 2017. By the author of the UK's most popular property book, The Complete Guide To Property Investment. Please note that this book only covers letting and management of a property you already own. For a guide to buying the right property in the first place, you should buy 'The Complete Guide To Property Investment'. Take a property, throw in a tenant and watch the money roll in. This seemingly simple formula has attracted nearly two million people in the UK to become landlords, but the reality is a whole lot more complicated. Did you know, for example, that if you forget to provide a certain piece of paper you might be unable to evict a tenant - even if they don't pay the rent? Or that you could be fined for not checking your tenant's immigration status? And don't forget the inevitable broken boilers, mysterious leaks and various tenant complaints that always seem to happen at the most inconvenient time. How To Be A Landlord is a straightforward guide to everything involved in letting and managing a property - whether you're an accidental landlord or an enthusiastic investor. In simple and entertaining language, it covers important steps like preparing the property to let, advertising for tenants, conducting viewings, doing all the paperwork, managing the tenancy, and dealing with any tricky situations that crop up (including the dreaded emergency repairs and evictions...). You'll learn: How to set yourself up for success when preparing a property to let Where to find the perfect tenants for your property The essential checks you must make to avoid a nightmare tenant Everything you need to do when setting up a tenancy to avoid problems later How to deal with the most common maintenance issues and repairs The proper legal processes to follow when you have troublesome tenants Top tips from experienced landlords for how to look after your tenants - keeping them happy, your property safe, and the rent rolling in Frequently updated and with contributions from over 50 experienced landlords, this is the most current and comprehensive book on the subject - and essential reading for anyone who wants a simple, profitable life as a landlord.

Whether you are renting a house or flat from a landlord or letting agent, or if you are a lodger in someone else's home, being a tenant can be fraught with difficulty. Even finding a decent place to rent can be very hard and even getting decent information, tips and advice is difficult. In "Tenants' Guide to Successful Renting", private rented sector expert, David Lawrenson of Tenants-Renting-Guide.com shows you how to: Find the right place Prepare properly so you have letting agents and landlords jumping over each other to let to you Ask the right questions of landlords and letting agents so you can figure out which ones will treat you well and look after your new home properly Lawrenson explains in simple language what your rights are, how to enforce them and the law pertaining to tenants and renting. "Tenants' Guide to Successful Renting" covers EVERYTHING you need to know about tenancy deposit schemes, tenant referencing, houses in multiple occupation, giving notice, re-possession actions and much more. The book even has special sections for tenants looking for shared houses and for those on housing benefit / universal credit. A landlord himself, David Lawrenson is a private rented sector expert and advisor at www.Tenants-Renting-Guide.com He has advised the government, charities and businesses as well as individual landlords and tenants on renting and letting in the private rent sector. **MORE ABOUT DAVID LAWRENSON** David Lawrenson's book, "Tenants' Guide to Successful Renting" is a modern guide to help tenants in the private rented sector. The private rented sector has grown fast to around 18 per cent of all housing. More people now live in privately rented houses and flats than in social and council housing. Many people don't have a choice but to be tenants of private landlords. Most like it but find it hard to get the rented home they want. Some suffer at the hands of incompetent landlords and letting agents. Lawrenson's new book is designed to help tenants. Lawrenson is an acknowledged expert on letting and renting. He has advised local government, charities and businesses as well as individual landlords and tenants. As a landlord himself, for over thirty years, he knows all about how private renting really works. His first book, "Successful Property Letting" came out in 2005 and has been the UK's highest selling property book ever since, having sold 80,000 copies. Regularly updated and revised, it is now in its fifth edition and is the bible for all ethical landlords. Lawrenson is deeply frustrated with what he sees as the often piecemeal and confused approach to the private rented sector from central and local government. He cites landlord licensing as a good example of how not to deal with rogue landlords. He also says cutting housing benefits is misguided because it leads directly to people with few housing options being shut out of private housing and therefore having to be housed in unsuitable and expensive B&B type accommodation. In the absence of any really useful help from government, he thought it was time to write a practical book that would help tenants get what they want - a nice home, well looked after by a decent landlord. He hopes his book will make the process of renting easier and help tenants to avoid the bad and incompetent landlord and letting agent. "If it helps to do just that, I'll be happy" he says. David's website for landlords is www.LettingFocus.com His new site for tenants is www.Tenants-Renting-Guide.com David lives in Kent, with his wife and son. He likes indie music, playing football and tennis, a nice glass of beer or wine, travel and enjoying life.
