Expert foreshadowing pulls readers along to unavoidable disaster; when the blows arrive, they land with a visceral punch. Sedgwick's restraint is remarkable, and he achieves something special with the raw, vulnerable humanity he reveals through these characters. Their relationships are deep yet fraught; their suffering and humor equally sincere.

English girl. Just as her brother Thomas longs to be a doctor, she wants to nurse, yet girls of her class don't do that kind of work. But as the war begins and the hospitals fill with young soldiers, she gets a chance to help. But working in the hospital confirms what Sasha has suspected--she can see when someone is going to die. Her premonitions show her the brutal horrors on the battlefields of the Somme, and the faces of the soldiers who will die. And one of them is her brother Thomas. Pretending to be a real nurse, Sasha goes behind the front lines searching for Thomas, risking her own life as she races to find him, and somehow prevent his death.

THE DAYS BETWEEN Christmas and New Year ' s Eve are dead days, when spirits roam and magic shifts restlessly just beneath the surface of our lives. A magician called Valerian must save his own life within those few days or pay the price for the pact he made with evil so many years ago. But alchemy and sorcery are no match against the demonic power pursuing him. Helping him is his servant, Boy, a child with no name and no past. The quick-witted orphan girl, Willow, is with them as they dig in death fields at midnight, and as they are swept into the sprawling blackness of a subterranean city on a journey from which there is no escape. Praise for *The Book of Dead Days*: “ Beautifully paced and sometimes blood-soaked. . . . A very tangible sense of evil. ” —*The Guardian* “ Subtle menace and power. ” —*The Independent* “ Packed with drama, mystery, and intrigue. ” —*The Bookseller*

A LOADED GUN. STOLEN GOLD. And a menacing stranger. A taut frontier survivor story, set at the time of the Alaska gold rush. In an isolated cabin, fourteen-year-old Sig is alone with a corpse: his father, who has fallen through the ice and frozen to death only hours earlier. Then comes a stranger claiming that Sig's father owes him a share of a horde of stolen gold. Sig's only protection is a loaded

When grief-stricken Sara Latimer seeks refuge in the house on Witch Hill, she finds herself caught in the web of her family's legacy of witchcraft, and only her love for Brian Standish can drive the evil away.

Marcus Sedgwick's award-winning debut novel about surviving in a sinking world. Winner of the Branford Boase Award, *FLOODLAND* is an unstoppable force in young adult fiction. Imagine that a few years from now England is covered by water, and Norwich is an island. Zoe, left behind in the confusion when her parents escaped, survives there as best she can. Alone and desperate among marauding gangs, she manages to dig a derelict boat out of the mud and gets away to Eels Island. But Eels Island, whose raggle-taggle inhabitants are dominated by the strange boy Dooby, is full of danger too. The belief that she will one day find her parents spurs Zoe on to a dramatic escape in a story of courage and determination that leads to an unexpected and touching conclusion. *FLOODLAND* has a powerful and emotive theme, handled with warmth and humanity.

*WHEN TOMAS AND HIS SON*, Peter, settle in Chust as woodcutters, Tomas digs a channel of fast-flowing waters around their hut, so they have their own little island kingdom. Peter doesn't understand why his father has done this, nor why his father carries a long, battered box, whose mysterious contents he is forbidden to know. But Tomas is a man with a past: a past that is tracking him with deadly intent, and when the dead of Chust begin to rise from their graves, both father and son must face a soulless

enemy and a terrifying destiny.

Seven stories of passion and love separated by centuries but mysteriously intertwined—this is a tale of horror and beauty, tenderness and sacrifice. An archaeologist who unearths a mysterious artifact, an airman who finds himself far from home, a painter, a ghost, a vampire, and a Viking: the seven stories in this compelling novel all take place on the remote Scandinavian island of Blessed where a curiously powerful plant that resembles a dragon grows. What binds these stories together? What secrets lurk beneath the surface of this idyllic countryside? And what might be powerful enough to break the cycle of midwinterblood? From award-winning author Marcus Sedgwick comes a book about passion and preservation and ultimately an exploration of the bounds of love. This title has Common Core connections. Laureth Peak's father has taught her to look for recurring events, patterns, and numbers--a skill at which she's remarkably talented. Her secret: She is blind. But when her father goes missing, Laureth and her 7-year-old brother Benjamin are thrust into a mystery that takes them to New York City where surviving will take all her skill at spotting the amazing, shocking, and sometimes dangerous connections in a world full of darkness. Marcus Sedgwick's *She Is Not Invisible* is an intricate puzzle of a novel that sheds a light on the delicate ties that bind people to each other. This title has Common Core connections.

A propulsive, compelling, and unsparing novel set in the grimly violent world of the human and drug trade on the US-Mexican border. On the outskirts of Juarez, Arturo scrapes together a living working

odd jobs and staying out of sight. But his friend Faustino is in trouble: he 's stolen money from the narcos to smuggle his girlfriend and her baby into the US, and needs Arturo's help to get it back. To help his friend, Arturo must face the remorseless world of drug and human traffickers that surrounds him, and contend with a murky past. Hovering over his story is the unsparing divinity Santa Muerte, Saint Death—and the relentless economic and social inequalities that haunt the border between Mexico and its rich northern neighbor. Crafted with poetry and cinematic pace and narrated with cold fury, Saint Death is a provocative tour de force from three-time Printz Award honoree Marcus Sedgwick. This title has Common Core connections.

'Do monsters always stay in the book where they were born? Are they content to live out their lives on paper, and never step foot into the real world?' The Villa Diodati, on the shore of Lake Geneva, 1816: the Year without Summer. As Byron, Polidori, and Mr and Mrs Shelley shelter from the unexpected weather, old ghost stories are read and new ghost stories imagined. Born by the twin brains of the Shelleys is Frankenstein, one of the most influential tales of horror of all time. In a remote mountain house, high in the French Alps, an author broods on Shelley's creation. Reality and perception merge, fuelled by poisoned thoughts. Humankind makes monsters; but who really creates who? This is a book about reason, the imagination, and the creative act of reading and writing. Marcus Sedgwick's ghostly, menacing novel celebrates the legacy of Mary Shelley's literary debut in its bicentenary year.
