The Great Gatsby Annotations

Gatsby's mansion. Or, rather, as I didn't know Mr. Gatsby, it was a mansion inhabited by a gentleman of that name. My own house was an eyesore, but it was a small eyesore, and it had been overlooked, so I had a view of the water, a partial view of my neighbor's lawn, and the consoling proximity of millionaires — all for eighty dollars a ...

The Great Gatsby is a recognized classic. Interestingly, the book did not sell very well during Fitzgerald ' s lifetime, and when he died in 1940 he seemed to have regarded the book as a failure. When he died, scholars started to assess his work, and The Great Gatsby was recognized as an important work of literature.

Amazon.com: Customer reviews: The Great Gatsby (Annotated)

The book is great. Obviously. But the term ANNOTATED is incredibly misleading. There are a few notes at the start like a background on the book, author, some historical notes etc. but that ' s it. A quick google search would ' ve left me with the same amount of information.

Amazon.com: Customer reviews: THE GREAT GATSBY (annotated)

Jay Gatsby ' s real name is James Gatz. His parents were failed farmers. He is an entirely self-made man, so ambitious and convinced of his own success that he transformed himself into his version of the perfect man: Jay Gatsby. Before any of his eventual social and financial success, he spent his nights fantasizing about his future.

Read Book The Great Gatsby Annotated

In 1922, F. Scott Fitzgerald announced his decision to write "something new--something extraordinary and beautiful and simple + intricately patterned." That extraordinary, beautiful, intricately patterned, and above all, simple novel became *The Great Gatsby*, arguably Fitzgerald's finest work and certainly the book for which he is best known. A portrait of the Jazz Age in all of its decadence and excess, *Gatsby* captured the spirit of the author's generation and earned itself a permanent place in American mythology. Self-made, self-invented millionaire Jay Gatsby embodies some of Fitzgerald's--and his country's--most abiding obsessions: money, ambition, greed, and the promise of new beginnings. "Gatsby believed in the green light, the orgiastic future that year by year recedes before us. It eluded us then, but that's no matter--tomorrow we will run faster, stretch out our arms farther.... And one fine morning--" Gatsby's rise to glory and eventual fall from grace becomes a kind of cautionary tale about the American Dream. It's also a love story, of sorts, the narrative of Gatsby's quixotic passion for Daisy Buchanan. The pair meet five years before the novel begins, when Daisy is a legendary young Louisville beauty and Gatsby an impoverished officer. They fall in love, but while Gatsby serves overseas, Daisy marries the brutal, bullying, but extremely rich Tom Buchanan. After the war, Gatsby devotes himself blindly to the pursuit of wealth by whatever means--and to the pursuit of Daisy, which amounts to the same thing. "Her voice is full of money," Gatsby says admiringly, in one of the novel's more famous descriptions. His millions made, Gatsby buys a mansion across Long Island Sound from Daisy's patrician East Egg address, throws lavish parties, and waits for her to appear. When she does, events unfold with all the tragic inevitability of a Greek drama, with detached, cynical neighbor Nick Carraway acting as chorus throughout. Spare, elegantly plotted, and written in crystalline prose, *The Great Gatsby* is as perfectly satisfying as the best kind of poem. * * * "Now we have an American masterpiece in its final form: the original crystal has shaped itself into the true diamond. This is the novel as Fitzgerald wished it to be, and so it is what we have dreamed of, sleeping and waking." -- James Dickey * * * *The Great Gatsby* is a novel by the American author F. Scott Fitzgerald. First published on April 10, 1925, it is set on Long Island's North Shore and in New York City during the summer of 1922. The novel takes place following the First World War. American society enjoyed prosperity during the "roaring" 1920s as the economy soared. At the same time, Prohibition, the ban on the sale and manufacture of alcohol as mandated by the Eighteenth Amendment, made millionaires out of bootleggers. After its republishing in 1945 and 1953, it quickly found a wide readership and is today widely regarded as a paragon of the Great American Novel, and a literary classic. *The Great Gatsby* has become a standard text in high school and university courses on American literature in countries around the world, and is ranked second in the Modern Library's lists of the 100 Best Novels of the 20th Century.

Read the Classic American Novel Now! In the Jazz Age on Long Island begins the story of mysterious millionaire Jay Gatsby and his obsession to reunite with his former lover, the socialite Daisy Buchanan. F. Scott Fitzgerald's magnum opus, *The Great Gatsby* has become a staple in American libraries for its depiction of decadence, social upheaval, refusal to change, idealism and excess, of the Roaring Twenties. Come see now why *The Great Gatsby* is hailed as one of the crowning achievements of American fiction.

In 1920s, Jazz-Age America... For 5 years, a middle-class Oxford-educated serviceman has been in love with an American heiress... During those 5 years he lived the American Dream, a rags-to-riches story... What will she say when they cross paths again? An American classic *The Great Gatsby*, first published in 1925, gained great popularity in the 1940s after it was distributed to servicemen during World War II, becoming an American classic. Inspired by the author's real life Having studied at Princeton, he fell in love with a Chicagoan heiress. Her father objected; Fitzgerald's love frustrated, the experience would stay with him throughout his life. F. Scott Fitzgerald put his mind, heart, and soul into writing the *The Great Gatsby*. Updated edition This edition includes: Table of Contents with summaries to find passages easily. Biographical annotations of F. Scott Fitzgerald, Ginevra King, and Zelda Sayre. Section with the most beautifully written segments in the novel

The Great Gatsby is a 1925 novel written via American author F. Scott Fitzgerald that follows a forged of characters living within the fictional cities of West Egg and East Egg on prosperous Long Island within the summer of 1922

Read Book The Great Gatsby Annotated

The Great Gatsby (The Great Gatsby) is a novel by Francis Scott Fitzgerald published for the first time in New York on April 10 (1925), and defined by T.S. Eliot as "the first step forward made by American fiction since Henry James". Background of the Book. Set in New York and Long Island during the summer of 1922, The Great Gatsby is the most acute portrait of the soul of the Jazz Age, with its contradictions, its victimhood, and its tragedy. The story, which following the technique of Henry James is told by one of the characters, tells the tragedy of the American myth that had ruled the country since the time of the landing at Plymouth Rock and can be considered the spiritual autobiography of Fitzgerald who, at a certain point in his life, closed with alcoholism and the life of a playboy, wanted to understand what had been the obstacles that had made his existence sinking. Book Considerations. - The Great Gatsby is widely considered to be a literary masterwork and a contender for the title of the Great American Novel. - the first step forward made by American fiction since Henry James - The strength of this book is the unique way in which it deals with the theme of social class, inherited versus self-generated wealth, race and environmentalism, and the concept of the American Dream. Named one of the best works published in the 20th Century. It's time to embark on an enlightening journey inside the Jazz Age to discover the incredible story of " The Great Gatsby " by F.Scott Fitzgerald. Scroll up and click the "Add to Cart" button now.

The Great Gatsby is a 1925 novel written via American author F. Scott Fitzgerald that follows a forged of characters living within the fictional cities of West Egg and East Egg on prosperous Long Island within the summer of 1922

The Great Gatsby is a 1925 novel written via American author F. Scott Fitzgerald that follows a forged of characters living within the fictional cities of West Egg and East Egg on prosperous Long Island within the summer of 1922

Let's play a game called Free Association. When we say the words "Roaring Twenties," what are the first things that pop into your head? Go for it. We'll wait here for you. Cool? Let's check out your list. Maybe you came up with something like this: Flappers. Definitely flappers Bobs Bootleggers The Harlem Renaissance Cool cars Partays Those long cigarette holders and old movie stars Boardwalk Empire If you're looking at that list and thinking, Sweet!, you're in luck. Published in 1925, The Great Gatsby is set in New York City and Long Island during the Prohibition era (remember, the Prohibition era was a time in which alcohol was illegal, no matter how old you were - yowza). Flappers? It's got them. Parties? You bet? Cool cars? Absolutely--but more on that in a minute or jump ahead to our Great Gatsby summary. The problem is, author F. Scott Fitzgerald didn't see the Jazz Age as all about hip music and sparkly clothes. He associated the entire period with materialism ("I want things! Lots of things!") and immorality. For many of the post-World War I era's newly wealthy, materialism and immortality were the name of the game. The novel's star is Jay Gatsby, a young, rich man in love with a society girl from his past. A girl who, as it happens, is married to someone else. Do we smell a Twilight-esque love triangle approaching? And that's not the only reason why Gatsby still feels fresh today. The novel's very title has become a kind of buzzword for periods of excess and fake luxury. The economic collapse of 2008 brought back distant and unwelcome memories of the stock market crash of 1929, casting the boom times of the 1990s and early 2000s as the modern-day version of the Roaring Twenties. In both cases, though, unsustainable boom times led to devastating crashes with profound cultural consequences. In the 1920s, it had been a bubble in stocks that brought easy prosperity, while in our own time the bubble had been in the housing market. In both times, easy money meant that many people could begin to dream of living out their days like Jay Gatsby, with life as just one grand party in a seersucker suit. But as that vision of easy luxury crashed and burned (in both 1929 and 2008), newfound hard times required a redefinition of the American Dream. And while Gatsby is a work of fiction, Fitzgerald's real life contains some suspicious similarities. (Gulp.) Narrator Nick Carraway is both mesmerized and disgusted by Gatsby's extravagant

Read Book The Great Gatsby Annotated

lifestyle, just as Fitzgerald claimed to feel about the "Jazz Age" excesses that he himself adopted. As an Ivy League educated, middle-class Midwesterner, Fitzgerald (like Nick) saw through the shallow materialism of the era. But (like Gatsby) Fitzgerald came back from World War I and fell in love with a wealthy southern socialite - Zelda Sayre. The Great Gatsby is swaddled in Fitzgerald's simultaneous embrace of and disdain for 1920s luxury. Since Fitzgerald did indeed partake in the Jazz Age's decadent high life, it's not surprising that the details of the setting and characters make The Great Gatsby a sort of time capsule of the 1920s. Gatsby is taught all over the world partly because it's a history lesson and novel all rolled into one delicious wrap of intrigue.

THE GREAT GATSBY BY F.
