Robin Antalek's characters feel so vivid, so fully known, you'll swear you grew up in their close-knit neighborhood along with them. Fans of Meg Wolitzer's The Interestings and Joanna Hershon's A Dual Inheritance will love this thoughtful exploration of the warp and weft of our closest relationships. Here is a portrayal of that mystery at the heart of modern life: what it means, in a world of bad influences and clueless parenting, to actually become a grown-up.

~~The Grown Ups | Robin Antalek~~

Robin Antalek is a master at character development. Every character in The Grown Ups is fully formed. Her skillful dialect, completely realistic, contributes to the change in her characters during the ten year span of the story. The "Hey dude" vernacular of high school slowly fades away as the characters age.
