The Life and Times of Grizzly Adams is a 1974 independent feature film inspired by a 1972 historical fiction novella written by Charles E. Sellier Jr. The film's popularity led to an NBC television series of the same name. The title character, played by Dan Haggerty, was loosely based on California mountain man John "Grizzly" Adams (1812–1860).

This early work by Jerome K. Jerome was originally published in 1926 and we are now republishing it with a brand new introductory biography. 'My Life and Times' is the autobiography of this humorous author of fiction and essays. Jerome Klapka Jerome was born in Walsall, England in 1859. Both his parents died while he was in his early teens, and he was forced to quit school to support himself. In 1889, Jerome

published his most successful and best-remembered work, 'Three Men in a Boat'. Featuring himself and two of his friends encountering humorous situations while floating down the Thames in a small boat, the book was an instant success, and has never been out of print. In fact, its popularity was such that the number of registered Thames boats went up fifty percent in the year following its publication.

Skillfully interweaving quotations from Wright's writings, Rowley portrays a man who transcended the times in which he lived and sought to reconcile opposing cultures in his work. In this lively, finely crafted narrative, Wright--passionate, complex,

One, The Heidi Thomas  
Independence, the 1910 Revolution, the tragic lives of workers in assembly plants along the border, and the experiences of millions of Mexicans who live in the United States. Mexico is seen here as if it were a person, but in the Aztec way; the mind, the heart, the winds of life; and on every page there are portraits and stories: artists, shamans, teachers, a young Maya political leader; the rich few and the many poor. Earl Shorris is ingenious at finding ways to tell this story: prostitutes in the Plaza Loreto launch the discussion of economics; we are taken inside two crucial elections as Mexico struggles toward democracy; we watch the creation of a popular "telenovela" and meet the country's greatest living intellectual. The result is

Other organizations, Sargent Shriver was a key social and political figure whose influence continues to the present day. This authorized biography, exhaustively researched and finely rendered by Scott Stossel (deputy editor of The Atlantic), reads like an epic novel, with “Sarge” marching through the historical events of the last century—the Great Depression, World War II, JFK’s assassination, the Cold War, and many more. Sarge gives us a complete account of Shriver’s life, as well as a thoughtful commentary on the Kennedy family, the Peace Corps, and United States and world history. It is a riveting and comprehensive reconstruction of a life that exemplifies what it means to be a true American.
