In the new novel from the author of Emily, Alone and Henry, Himself, a middle-age couple goes all in for love at a Niagara Falls casino Stewart O’Nan's thirteenth novel is another wildly original, bittersweet gem like his celebrated Last Night at the Lobster. Valentine's weekend, Art and Marion Fowler flee their Cleveland suburb for Niagara Falls, desperate to recoup their losses. Jobless, with their home approaching foreclosure and their marriage on the brink of collapse, Art and Marion liquidate their savings account and book a bridal suite at the Falls' ritziest casino for a second honeymoon. While they sightsee like tourists during the day, at night they risk it all at the roulette wheel to fix their finances-and save their marriage. A tender yet honest exploration of faith, forgiveness and last chances, The Odds is a reminder that love, like life, is always a gamble.

Tired of dealing with an unfaithful husband, Raine Edmunds finally gets a divorce. Wanting to start over she leaves her modeling career behind and goes to a ranch near Roswell, New Mexico to stay with her best friend. Then Raine meets Hayden, as their friendship blossoms, so does her love of ranch life.

The moving companion novel to *Henry, Himself* and a bittersweet vision of love, family, and aging from bestselling author Stewart O'Nan. A sequel to the bestselling, much-beloved *Wish You Were Here*, Stewart O'Nan's intimate new novel follows Emily Maxwell, a widow whose grown children have long moved away. She dreams of visits by her grandchildren while mourning the turnover of her quiet Pittsburgh neighborhood, but when her sole companion and sister-in-law Arlene faints at their favorite breakfast buffet, Emily's days change. As she grapples with her new independence, she discovers a hidden strength and realizes that life always offers new possibilities. Like most older women, Emily is a familiar yet invisible figure, one rarely portrayed so honestly. Her mingled feelings-of pride and regret, joy and sorrow- are gracefully rendered in wholly unexpected ways. Once again making the ordinary and overlooked not merely visible but vital to understanding our own lives, *Emily, Alone* confirms O'Nan as an American master.

“ Will leave readers swooning. ” —PopSugar When Dimple Met Rishi meets Ugly Delicious in this funny, smart romantic comedy, in which two Vietnamese American teens fall in love and must navigate their newfound relationship amid their families' age-old feud about their competing, neighboring restaurants. If Bao Nguyen had to describe himself, he'd say he was a rock. Steady and strong, but not particularly interesting. His grades are average, his social status unremarkable. He works at his parents' pho restaurant, and even there, he is his parents' fifth favorite employee. Not ideal. If Linh Mai had to describe herself, she'd say she was a firecracker. Stable when unlit, but full of potential for joy and fire. She loves art and dreams pursuing a career in it. The only problem? Her parents rely on her in ways they're not willing to admit, including working practically full-time at her family's pho restaurant. For years, the Mais and the Nguyens have been at odds, having owned competing, neighboring pho restaurants. Bao and Linh, who've avoided each other for most of their lives, both suspect that the feud stems from feelings much deeper than friendly competition. But then a chance encounter brings Linh and Bao in the same vicinity despite their best efforts and sparks fly, leading them both to wonder what took so long for them to connect. But then, of course, they immediately remember. Can Linh and Bao find love in the midst of feuding families and complicated histories?

Song of the Waterwheel is a true love story of two unlikely people, opposite personalities whose red-hot romance established an unbreakable marriage that, for twenty-eight years, withstood all tests: time, multiple disasters, treachery and betrayal, financial loss, births, sickness, even death itself—because God was the author of their story.

An intensely personal narrative of loss, hope, and longing for a child. In this brave and lucid account, Julia Leigh broaches a challenging life event often left undiscussed: how the struggle to have a child can take an agonizing toll. Leigh's experience at the vanguard of medical science is acutely rendered, physically and emotionally, transmitting what it feels like to so desperately wish for a child while knowing that the odds are stacked against you. From the daily shots she puts herself through at home, to hopes raised and dashed, and finally to the decision to stop treatment, *Avalanche* bears witness to Leigh's raw desire, suffering, strength, and, in the end, transformation—a shift to a different kind of love. The reader looks behind the scenes of a clinic and discovers how things really work: reality is a far cry from the slick marketing of the billion-dollar infertility industry. As for so many women, Leigh's treatment failed, but her ghost child lingers in memory.

A personal account of a digital-strategy expert's efforts to date using current online technologies recounts how after numerous setbacks she strategically changed her approaches and met dozens of worthwhile candidates.

Gripping True Story of War and Romance, Hope and Miracles When the odds are impossible, love goes to work. In this thrilling true-life story, readers follow the path of friendship that grows into a romance that spans continents and survives devastating hardship. Craig Keener, a respected white scholar, was cautious after a broken relationship. Médine, a well-educated African woman, met Craig through a campus ministry and the two became friends. Long after they parted for their respective worlds, Craig realized his love for her and began the arduous--and often supernatural--journey to be reunited. Médine faced terror and disease as a refugee in the war-torn Congo; Craig did not know most days if she was alive or dead. Their tender story of love beating the odds inspires readers to believe that God's own great love for each of us will always overcome.

“ A love letter to queerness, self-expression, and individuality (also Madonna) that never shies away from the ever-present fear within the queer community of late '80s New York, *Like a Love Story* made me feel so full—of hope, love, courage, pride, and awe for the many people who fought for love and self-expression in the face of discrimination, cruelty, and death. "A book for warriors, divas, artists, queens, individuals, activists, trend setters, and anyone searching for the courage to be themselves. ” —Mackenzi Lee, New York Times bestselling author of *The Gentleman's Guide to Vice and Virtue* It's 1989 in New York City, and for three teens, the world is changing. Reza is an Iranian boy who has just moved to the city with his mother to live with his stepfather and stepbrother. He's terrified that someone will guess the truth he can barely acknowledge about himself. Reza knows he's gay, but all he knows of gay life are the media's images of men dying of AIDS. Judy is an aspiring fashion designer who worships her uncle Stephen, a gay man with AIDS who devotes his time to activism as a member of ACT UP. Judy has never imagined finding romance...until she falls for Reza and they start dating. Art is Judy's best friend, their school's only out and proud teen. He'll never be who his conservative parents want him to be, so he rebels by documenting the AIDS crisis through his photographs. As Reza and Art grow closer, Reza struggles to find a way out of his deception that won't break Judy's heart—and destroy the most meaningful friendship he's ever known. This is a bighearted, sprawling epic about friendship and love and the revolutionary act of living life to the fullest in the face of impossible odds.
