For fans of The Land of Stories comes an adventure that reveals the secret warnings hidden inside all classic tales -- beware fairyland at all costs. Eleven-year-old Danny Monteverde believes in magic. He knows that pixie dust is real, that wardrobes act as portals, and that rabbit holes lead to Wonderland. Most of all, he believes that his older sister, Pili, is waiting for him somewhere in Rio Luna, the enchanted land in their favorite book of fairy tales. Danny doesn't care what the adults say. He knows that Pili isn't another teen runaway. When the siblings were placed in separate foster homes, she promised that she'd come back for him, and they'd build a new life together in Rio Luna. Yet as the years pass, Danny's faith begins to dim. But just when he thinks it might be time to put foolish fairy tales behind him, he finds a mysterious book in the library. It's a collection of stories that contain hints about how to reach another world. A map to Rio Luna . . . and to Pili. As his adventure takes him from New York to Ecuador to Brazil, Danny learns that meeting your favorite characters isn't always a dream come true. But nothing will stop him from finding his sister . . . even if it means standing up to the greatest threat the magical realm has ever known.

Perfect for fans of Alice Hoffman, Isabel Allende, and Sarah Addison Allen, this is a gorgeously written novel about a family searching for the truth hidden in their past and the power they've inherited, from the author of the acclaimed and "giddily exciting" (The New York Times Book Review) Brooklyn Brujas series. The Montoyas are used to a life without explanations. They know better than to ask why the pantry never seems to run low or empty, or why their matriarch won't ever leave their home in Four Rivers—even for graduations, weddings, or baptisms. But when Orquídea Divina invites them to her funeral and to collect their inheritance, they hope to learn the secrets that she has held onto so tightly their whole lives. Instead, Orquídea is transformed, leaving them with more questions than answers. Seven years later, her gifts have manifested in different ways for Marimar, Rey, and Tatinelly's daughter, Rhiannon, granting them unexpected blessings. But soon, a hidden figure begins to tear through their family tree, picking them off one by one as it seeks to destroy Orquídea's line. Determined to save what's left of their family and uncover the truth behind their inheritance, the four descendants travel to Ecuador—to the place where Orquídea buried her secrets and broken promises and never looked back. Alternating between Orquídea's past and her descendants' present, *The Inheritance of Orquídea Divina* is an enchanting novel about what we knowingly and unknowingly inherit from our ancestors, the ties that bind, and reclaiming your power.

Award-winning novel by Kirsty Eagar, author of *Saltwater Vampires* and *Night Beach*. *Raw Blue* was awarded the 2010 Victorian Premier's Literary Awards Young Adult Fiction prize. Readers of Tim Winton's *Breath* will be drawn to *Raw Blue*, an achingly beautiful young adult novel set in Sydney's northern beaches. Winner of the 2010 Victorian Premier's Literary Awards, it is a haunting story about finding your passion in life. Carly has dropped out of uni to spend her days surfing and her nights working as a cook in a Manly cafe. Surfing is the one thing she loves doing ... and the only thing that helps her stop thinking about what happened two years ago. Then she meets Ryan and Carly has to decide. Will she let the past bury her? Or can she let go of her anger and shame, and find the courage to be happy? Check out Kirsty Eagar's website at [www.kirstyeagar.com](http://www.kirstyeagar.com), and read her blog to find out about her thoughts on books, writing, music, surfing, and finding inspiration, or visit [betweenthehines.com.au](http://betweenthehines.com.au) - the destination for Young Adult books. Praise for *Raw Blue*: 'Kirsty Eagar's fearless *Raw Blue*, a story of regeneration set on Sydney's northern beaches, is much more than just a promising debut: this one delivers.' Australian Book Review Best Books of 2009: Critics' Choices 'Kirsty Eagar's first novel explores dark territory with skill and sensitivity.' The Age 'An emotionally rich and powerful first novel.' Canberra Times 'If you only read one book this year ... it should be Kirsty Eagar's *Raw Blue*

one of those kept-me-up-all-night novels that stays in your bones and sings in your ears long after you've finished it. It wouldn't be out of place next to Tim Winton's *Breath*, except this is the ocean as healer, not as an object to be conquered, or the site of self-destruction, of risk. The images crackle, the lines are full of the poetry of observation, the story is searing, gutting, beautiful. This should be compulsory reading for all teenagers especially boys.' [juliaawrinson.livejournal.com](http://juliaawrinson.livejournal.com) 'This is a psychologically intense novel that involves even non-surfing readers in the release Carly feels when conquering the waves we empathise with her in the long battle between desire and fear on the path to self-acceptance.' *Magpies* 'I read this book feverishly, desperate for a happy ending, and afterwards found it difficult to get Carly and the men who ride into her life out of my mind.' *Newcastle Herald* '[a] very moving book It's dark subject matter, but Eagar makes it uplifting.' *Sunday Territorian* 'A memorable first book by a writer who gives an honest approach to what young adults face growing up and growing wiser.' *Woman's Day Read of the Week*

The only way to get her family back is to travel to a land in between, as dark as Limbo and as strange as Wonderland... Alex is a bruja, the most powerful witch in a generation...and she hates magic.
